February Travel Tips

- It's Jelly Season, from November to May. So swim only inside nets & listen to lifeguard recommendations.
- It's crock season so maybe you'll get lucky & spot one but don't swim outside nets or in river outlets.
- Bring an umbrella & sunscreen
- Snorkeling on the reef, get on your latex to avoid the jellies sting.

FAQs

- Are pets allowed? **No**
- Are parties or large gatherings allowed? **No**
- Is there free Wi-Fi? **Yes**
- Are Linen & towels provided? **Yes**
- How do we access the property? **A lockbox with a code is next to front door with keys inside. Code will be given prior to check in.**
- *Contact HolidayHomeRentals for more answers to FAQs*

February Weather Forecast

A GLANCE AT THE WEATHER FOR THE MONTH AHEAD.

February in Cairns continues the region's tropical charm, offering warm days and rejuvenating rains. Here's a quick look at what to expect:

Temperature:

February remains warm and inviting, with average temperatures around 27.5°C (81.5°F). Daytime highs reach up to 31°C (88°F), perfect for coastal or reef adventures. Evenings cool slightly to an average low of 24°C (75°F), making outdoor dining and nighttime strolls delightful.

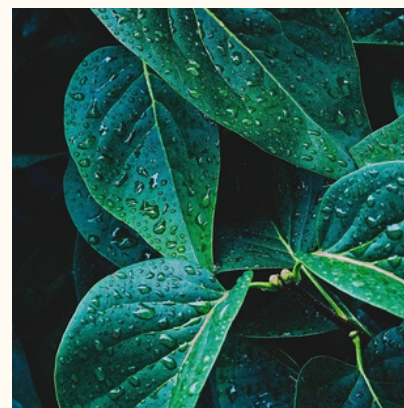

Rainfall:

As the wet season continues, February brings an average of 368 mm (14.5 inches) of rain across 14 days. These tropical showers, often brief and refreshing, help maintain the lush greenery that defines Far North Queensland.

Humidity and Winds:

Humidity averages around 76%, creating a true tropical atmosphere. Coastal breezes and occasional light winds keep conditions comfortable, ensuring a memorable experience outdoors.

February is the perfect time to immerse yourself in Cairns' tropical beauty!

Other Weather Forecasts

Cyclones:

February falls within the cyclone season in Queensland. However, significant cyclonic events are infrequent. Local authorities maintain vigilant monitoring, ensuring public safety with timely updates and preparedness measures.

February Sunshine and Daylight:

February in Cairns offers a balance of tropical rains and sunny skies, with an average of 6 hours of sunshine per day. The days remain long, providing around 12 hours of daylight, perfect for making the most of the region's outdoor attractions and adventures.

Sea Temperature:

The sea remains warm and inviting in February, with an average temperature of 28°C (82°F). Ideal for swimming, snorkeling, or exploring the Great Barrier Reef, the water conditions ensure aquatic adventures are both enjoyable and refreshing.
