Maywood Furniture Corporation: A Tradition of Quality and Service

Maywood Furniture Corporation has been a leading manufacturer of banquet tables for over a century. Our story began with crafting folding banquet tables for major hotels, and since then, we've grown alongside our customers. The countless tables we've shipped stand as a testament to our commitment to quality and your satisfaction.

At Maywood, we hold true to the same core values we established over a hundred years ago. We are dedicated to providing exceptional products at competitive prices. Our experienced and friendly customer service team is here to support you every step of the way.

Why Choose Maywood?

Unmatched Durability: Maywood tables are built to last. We use high-quality materials and construction techniques to ensure our products can withstand the demands of everyday use.

Customizable Solutions: We understand that one-size-fits-all doesn't always work. That's why we offer a wide range of customization options, allowing you to create the perfect solution for your specific needs.

The Hospitality Industry Standard: Maywood is a trusted choice in the hospitality industry. Our products can be found in hotels, convention centers, party rentals, religious institutions and educational settings around the world.

M ORIGINAL SERIES®

Built to last and endlessly adaptable, Original Series tables are the workhorse for the hospitality industry. Its robust steel chassis ensures years of reliable service. Each table boasts a weight capacity of 2,000 evenly distributed pounds. Secure lock tab leg mechanisms come with a lifetime warranty for peace of mind. Choose from 3/8" or 5/8" plywood cores to find the perfect balance of weight and sturdiness. The Original Series is available with a plywood, laminate or Mayfoam top. Further customize your table with a wide range of available sizes, laminate finishes, edging options and leg placements to perfectly suit your space.

A mainstay in the hospitality industry, the Original Series is a trusted choice in hotels, convention centers, banquet halls, and resorts around the world.

STANDARD SERIES

The Standard Series tables offer a dependable solution for bustling environments. Its solid construction features a 5/8" plywood core with wishbone tubular legs providing dependable support. The Standard Series is available with a plywood, laminate or Mayfoam top. Further customize your table with a wide range of available sizes, laminate finishes, edging options and leg placements to perfectly suit your space.

A popular choice for party rentals, catering companies, banquet halls and resorts, Standard Series tables are ideal for withstanding the demands of frequent use.

STANDARD SERIES

Maximize versatility with Maywood's pedestal tables, an extension of the Standard Series. These tables conveniently separate into three pieces (top, column, and base) for effortless transport and storage. Choose from fixed-height options with either a 30" or 42" column, or opt for the single, adjustable-height column that expands from 30" to 36" or 42" with a simple button press. This adaptability makes the pedestal table a perfect choice for a variety of settings and needs.

M DELUXE SERIES

Maximize seating comfort and capacity in style with the Deluxe Series. Featuring a sleek black vinyl flush edging for an attractive look, the Deluxe Series table prioritizes user experience. The ingenious corner leg positioning allows for more occupants to comfortably sit around the table, while a 3" aluminum apron along the underside perimeter provides additional strength. The Deluxe Series is available with a laminate top.

This practical design makes the Deluxe Series a popular choice for religious institutions and educational settings.

Power up productivity and convenience by adding charging units to your Deluxe Series tables. Designed to accommodate multiple charging units (depending on table size), these tables feature integrated power outlets and USB ports.

This optional feature makes these tables ideal for educational settings like university classrooms and lecture halls, as well as meeting rooms and conference centers, allowing users to keep their devices charged and remain focused throughout their stay.

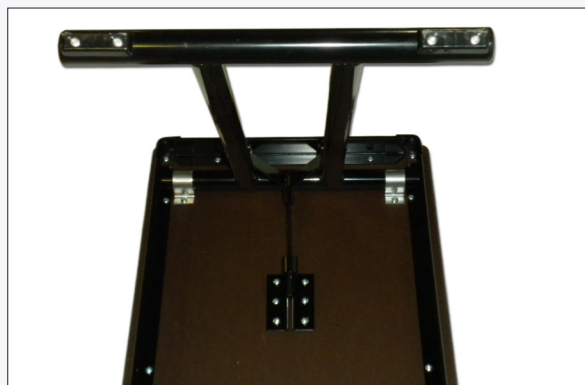

CALM SERIES TABLE®

Designed for both style and functionality, the Calm Series Table ® creates a welcoming environment for meetings and gatherings. The black Bumper T edging adds a touch of modern elegance, while the T-Leg base provides both strength and maximum seating capacity. The Calm Series Table ® is available with a laminate top. An optional stationary modesty panel provides visual privacy.

This multipurpose table is specifically designed for training facilities, conference centers, educational settings and religious institutions.

M C-LEG SERIES

The C-Leg Series combines sleek aesthetics with practical functionality. Featuring a black Bumper T edging for a touch of contemporary style, the C-Leg Series table base design allows for maximum seating capacity and ease of use due to its leg placement. The C-Leg Series is available with a plywood or laminate top. An optional stationary modesty panel provides visual privacy.

This versatile table is a popular choice for training facilities, conference centers, educational settings and religious institutions.

M C-LEG SERIES

TRAINING TABLE SERIES

The Training Table Series prioritizes both functionality and user comfort. Built with the same robust steel chassis as the Original Series (supporting up to 2,000 lbs), it features legs held firmly in place by lock tab leg mechanisms that come with a lifetime warranty for peace of mind. The black vinyl flush edging provides a clean finish while the leg design allows for maximum seating capacity. The Training Table Series is available with a laminate top. A stationary modesty panel offers visual privacy.

The streamlined look of the Training Table Series makes it ideal for training facilities, conference centers, educational settings and religious institutions.

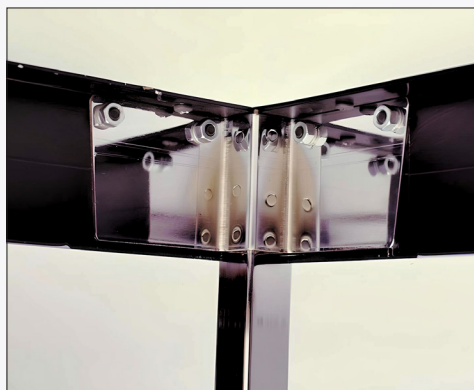

STATIONARY SERIES

The Stationary Series table offers a solution for your office space. Featuring legs securely bolted in the corners for maximum stability, this table is built to last. The 3" aluminum apron along the underside perimeter provides additional reinforcement while the black vinyl flush edging creates a clean and professional appearance. The Stationary Series is available with a laminate top.

Perfect for offices, seminar rooms and conference centers, the Stationary Series table is a reliable choice for long-term use.

LAUNDRY TABLES

Streamline your laundry operation with our durable Laundry Tables. Built to withstand heavy use, these laminate top tables feature legs securely bolted in the corners for maximum stability. A 3" aluminum apron along the underside perimeter provides additional reinforcement while the black vinyl flush edging offers a clean, professional look.

Available with or without a backsplash for added versatility, these tables are ideal for commercial laundry facilities, laundromats, hotels and college campus laundry rooms.

LAUNDRY TABLES

PLATFORM STAGES

Elevate your events and presentations with Maywood's Platform Stages. This versatile platform provides a sturdy foundation for keynote speakers, performers, or honorees at any event. Maywood offers the option of marine-grade, anti-slip decking material adhered to the plywood surface, ensuring a safe and secure platform for all users.

The sturdy construction of the Platform Stages make them a valuable asset for party rental companies and event planners alike.

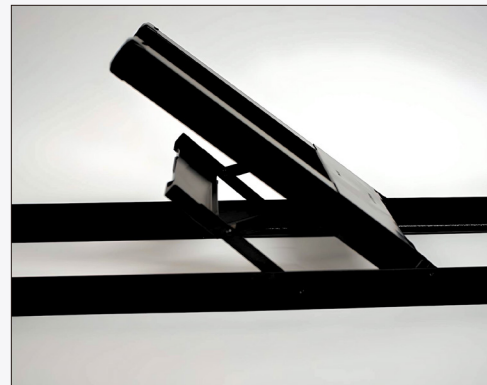

STEPS & BENCHES

Ascend with confidence! Maywood's Platform Steps offer safe and easy access to any stage. These customizable steps are available in a variety of heights to perfectly match your needs. Featuring marine-grade, anti-slip decking material adhered to the plywood surface, similar to what you find on cruise ships and around pools, you can ensure the safety of users with every step.

Our durable Benches are built to withstand consistent use in a variety of settings. Featuring the same self-supporting steel chassis found in the Original Series tables, these benches offer exceptional strength and stability.

Ideal for educational institutions, religious facilities and camps, the benches provide comfortable seating for students, congregations and groups.

DRY ERASE TABLES

Unleash the power of collaborative thinking with Dry Erase Tables, our latest innovation! Designed for educators, students, business professionals and even active adults, these versatile tables provide the perfect platform for brainstorming sessions, group work and creative idea visualization. The smooth, high-pressure laminate surface allows for easy writing with dry erase markers and wipes clean effortlessly for a fresh start.

Integrate Dry Erase functionality into nearly any table series with our high pressure laminate top option, creating the ideal solution for conference rooms, offices, classrooms, adult communities and more.

DISPLAY TABLES

Showcase your products in style with our Display Tables. These tables create a captivating focal point, drawing customer attention to your offerings. Display Tables are available in both fixed height and dual-height options (adjustable from 30" to 42"). Featuring a 5/8" plywood top with a 30mm Birch plywood box section around the perimeter, you can customize the presentation to perfectly suit your needs.

The sturdy construction and sleek design make them ideal for high-traffic environments in exposition halls and conference centers.

M TABLE TRUCKS

Keep your Maywood tables organized and secure with our custom-manufactured Table Trucks. Built to match the tables sizes in your orders, these specialized trucks offer a convenient and efficient solution for transportation and storage. A must-have accessory for any Maywood customer!

PORTABLE BARS

Level up your event rentals with Portable Bars! This two piece design offers a lightweight and durable solution for creating a wet bar at any venue.

Easy to assemble, it's a must have for party rental companies that require a portable bar that is both functional and convenient.

DESIGN PLANNING

How to Measure Maywood Crescent Tables

	Inside Diameter	Outside Diameter	A Point to Point	B Radius Arch	C Width	D Outside Arch	E Inside Arch
4830 (4 to a circle)	3'	8'	68"	48"	30"	75.5"	28.5"
