## STEPS TO ADMISSION

**Our admissions process helps us to best serve your family as well as our school's vision and community. Our school has a vision for developing conservative leaders who will influence the world through their life. Please read this page carefully to understand your part in the admission process.**

- 1. Visit our website or our school to learn more about classical conservative education.** No other system of education has the track record of success that classical education does, but it makes you rethink what you know about education. We encourage you to do your homework.
- 2. Request and Complete an application.** Send an email to [Registrar@Privested.org](mailto:Registrar@Privested.org) and place "Request an Admissions Application" in the subject line. Privested Academy has rolling admissions. Grade capacity is limited each year. We will continue to accept applications on a wait list basis after capacity has been met.
- 3. Pay the Application fee.** Upon submission, you will be invoiced the application fee. The application fee is per student non-refundable electronically through the invoice.
- 4. Research Classical Education.** This information will help guide you in understanding our bible based foundation. Please be prepared to ask any questions you may have during the parent interview.
- 5. Bring in your student for testing and interview.** New students are tested to determine their academic and behavioral preparation for Privested Academy. No specific score is required. Rather, we judge the general preparation of the student in core subjects like math, reading, and writing. Students can receive a waiver based on prior institution.
- 6. Students are assessed based upon:**
  1. Admission test results
  2. Student attitude and behavior
  3. For older students, their contribution to our school communityEach year we successfully admit many students from many different school backgrounds.
- 7. Attend a parent interview.** All parents or guardians are interviewed by an administrator at our school. This helps us to assess new applicants based on our school's mission and culture.
- 8. Families are assessed based upon:**
  1. Family support
  2. A family faith that aligns with our statement of faith
  3. A basic understanding of classical conservative education

**Acceptance and admittance.** Completed applications will be processed first on the family and student fit as determined by Admissions Committee. Applications received without a paid application fee will not be considered. Students will be accepted based on the information collected above. Acceptance means that we believe that we can serve your family and there is a fit with our community. In classes that are full, students who are accepted are then wait-listed until we have room to admit them. A student is admitted only when we have a seat for them in a classroom. No further money is required until a student is admitted.

**A note on our waitlists:** We do not assign a ranking to our waitlists. Once a list is ranked, students are generally admitted in the order of their rank. However, several factors can result in the list being re-ordered. For example, the enrollment of current families with siblings in older grades, holding back a student into a grade, or the employment of a new teacher with a student in a full grade can result in the list being re-ordered.

Privested Academy desires to provide the best education possible for students who are admitted. Due to staffing, funding, and facility limitations, some children are not admitted because the school cannot adequately provide for their learning needs. The nature of the school curriculum necessitates that children who have been diagnosed with learning differences must be able to meet the same academic standards as all other children in their grade level. Children with physical/motor limitations who may require special provisions will be considered for admission on a case-by-case basis.

Give a brief medical history of applicant, identifying any serious illnesses or injuries of which the school should be aware. List any emotional or medical treatments, or physical handicaps which may affect student's activities.

## Privested Academy Covenant

As a covenant school, Privested Academy endeavors to partner with conservative families in the education of their children. The PA Covenant outlines the blessings in this agreement. We invite the believing parents, parent, guardian, or advocate to enter into this covenantal agreement by signing below.

The School and Parents covenant together in the following ways:

1. We covenant to live out our conservative life and witness. Therefore we will endeavor to
  - pray earnestly for one another, the school, and families.
  - worship at a place of biblical faith regularly so as to be fully devoted to God.
  - build a strong community by encouraging others and resolving conflict biblically through respectful and honest conversations with those involved.
2. We covenant to support the school as a "light on a hill" in the Roanoke Valley. Therefore we will
  - benefit the school with additional financial support when possible.
  - seek to serve others within the life of the school through volunteering.
  - uphold the name of PA, bearing a biblical witness both inside and outside the community through thought, word, and deed.
