Orton-Gillingham Classroom Educator Training: 32 hours total

This course is specifically designed for PreK-5 classroom teachers and addresses the foundation skills within the Common Core State Standards. It is the first step in preparing teachers to use the OG approach in the classroom setting and allows teachers to use direct instruction to bring a multi-sensory, structured, and linguistic phonics-based approach into the mainstream classroom. Tiers: 1 and 2

- Dyslexia and Reading Disorders
- Rational of Using the OG Approach
- Phonology and Phonological Awareness
- Phonics for Reading and Spelling
- Writing OG Lesson Plans
- Mock OG Lesson Plans
- History of the English Language
- Beginning Morphology
- Reading and the Brain
- Informal Assessment and Diagnostic Teaching
- How to Implement OG in Classroom
- Strategies for Multi-Sensory Instruction

This course meets the requirements for the Academy of Orton-Gillingham Practitioners and Educators Classroom Educator certification. *Participants must complete the 50-hour Practicum following the coursework to be Certified at the Classroom Educator Level of the Academy of Orton-Gillingham.* The practicum requires separate fees.

About the Instructor: Casey Welsh is a Fellow with the Academy of Orton-Gillingham Practitioners and Educators. She has her Master's in Education in Curriculum Development and Dyslexia. She owns Savannah Dyslexia, a private practice for Orton-Gillingham tutoring in Savannah, GA. Casey has provided extensive Orton-Gillingham training at both the Classroom and Associate levels. With two dyslexic sons, Casey has made it her mission to reach students and give them the tools they need for success, as well as train teachers and interventionalists to ensure all students have access to scientifically proven reading instruction.

If you have any questions about the course, please reach out to Casey at welshcasey@gmail.com or call (912) 507-1868.
