**Special Mentions...** During March, we focused on Everything Animals and had some extra fun during Spring Break outings. We were even host to Delta Waterfowl- Kids learned about animal habitats and were able to see a Hen house placed on the slough. Thank you to the bus and van drivers for taking us to a movie and swimming.

An easter focus included Hatching Chicks- Thank you Cooper Buelow, for spending time to teach, lending use of an incubator AND thank you Diana Fankhanel, who supplied eggs. We also welcomed some furry guests- Tutu the dog visited a few times and Saving Grace Animal Society surprised us with some puppies to snuggle.

Brought to Albertans thanks to:
