From the Desk of our Behavioural Health Consultant: Prioritizing Your Mental Health

The kids are back in school, routines are in full swing, and Christmas is quickly approaching! With so much to juggle, it's easy to put our own needs on the back burner. But remember, your mental health matters, too.

Take a moment to check in with yourself. Are you getting enough rest? Making time for the things you enjoy? Setting boundaries and allowing yourself to slow down when life feels overwhelming?

Self-care doesn't have to be complicated. Sometimes, it's as simple as taking a deep breath, going for a walk, sitting in silence with a cup of hot chocolate, connecting with a friend, or giving yourself permission to say no.

As we head into the busy holiday season, remember that you don't have to do it all. Give yourself the same care, patience, and kindness you so freely give to others.
How are you taking care of your mental health this season?

Trish Rasmussen; CTP, MPCC- Provisional , Behavioural Health Consultant

BYC Update

November 2026

BYC

The holiday season is a time for giving, sharing, and bringing our community together. We are excited to be hosting our Festival of Trees and Wreaths on November 21st at the Bashaw Community Centre, and we are inviting local businesses, families, and organizations to be part of this special event by adopting a tree or wreath.

By adopting a tree or wreath, you can let your creativity shine! Decorate it in your own unique style, choose a fun theme, or fill it with special items that reflect your business or organization. Whether you prefer a traditional Christmas look, a festive winter theme, or something completely original, we would love to see your ideas come to life.

The decorated trees and wreaths will be featured at our festival, creating a beautiful holiday display for everyone to enjoy. The trees and wreaths will then be raffled off to raise funds in support of the Bashaw Youth Centre and the programs we provide for our community youth.

How can you participate?

- Adopt a Christmas tree or wreath (please let us know by Nov 9).
- Decorate it with your own theme, colours, and creative ideas.
- Include gifts, gift cards, or special items if you wish.
- Help us spread some Christmas cheer while supporting local youth!

Whether you are a business looking to give back, a family wanting to participate, or an organization hoping to make a difference, we would love to have you involved. If you are interested in adopting a tree or wreath, please contact Patricia at 780-372-4074 or email info.bashawyouthcentre@gmail.com.

Thank you for your generosity and support. With your help, we can make this year's Festival of Trees and Wreaths a wonderful celebration of Christmas spirit, community involvement, and giving back to our youth. Wishing you a wonderful holiday season!
Sincerely,
Leanne McCarroll

FASD in November: National Addictions Awareness Week (NAAW) is Nov 15-21

NAAW highlights solutions that help address the harms related to the use of alcohol and other drugs. It provides an opportunity for people across Canada to learn more about prevention and harm reduction, talk about treatment and recovery, and discuss solutions for change.

Hope is an optimistic state of mind that holds expectations for positive outcomes. Exploring and discussing substance use health can lead to positive outcomes such as connections and growth. Yet the challenges in the field cannot be unstated. We need effective, holistic community action that is rooted in evidence and compassion. We need to work together to identify and reach common goals. And more than anything else, we need hope — hope for a brighter future with improved health and wellness of all people living in Canada.

Alcohol is the most used substance in Canada. It causes more substance use related costs than either tobacco or all other drugs combined. Understanding the impacts of alcohol use is essential to minimizing the risks and harms.

For more information, please visit: Prairiecentralfasd.ca, Canada FASD Research Network at CanFASD.ca, Centre of Excellence for Women's Health at CEWH.ca, Canadian Centre on Substance Use & Addiction at CCSA.ca .

A Wide Range of Supports and Referrals

Together We Can Do More

We have committed to **seed funding** that requires us to match community donations to deliver this **LOCAL CARE.**

Our Goal

$750,000

Match funding to sustain the clinic and the full system of care.

$100,000

RAISED SO FAR!

Together We Built Regional Care That Belongs Here

When our rural region needed better access to care, we did not wait for someone else to solve it. We came together and built something remarkable.

The community-owned medical clinic now stands at the heart of a connected local system. Health care, social care, learning and community services work together so those who live in the region can find the right help, close to home.

One day, it may be your parent, your child, your neighbour - or you - who needs this circle of care.

Medical care remains publicly funded. Your donation helps cover the local foundation that public funding does not fully provide: operating costs for our community-owned clinic, employing other health and social care professionals, and connecting people with support before challenges become crises.

YOUR GIFT HELPS

Your gift stays close to home. It keeps the people in place, the doors open and the connections strong for the people we love - today and for generations to come.
