## Family Wellness at Bashaw School

As we move in to a new school year, please remember the Family Wellness program is available for all ages and grades at Bashaw School, by parent request. Family Wellness Worker, Lori Miller would be happy to have a conversation with anyone wondering what may support their child!

Lori supports students and families through one-on-one support, Roots of Empathy and the Drama Program.

Read below, a thoughtful message from Lori.

"Our summer has come to a close and our fall is full of change and beauty. I find myself full of gratitude for the seasons, the gift of warmth and cool, the growing and harvesting as well as the possibilities that a new school year will bring... It may be change that we welcome or are resistant too.

We can grow in both and find a place to meet one another in.

I don't know what will be happening with our schools and the direction that will follow change, but I do know that I can be compassionate and give care for those that welcome this year and those that don't feel welcome or heard in the ever changing world we live in. We can be heard and use our voices to create change and still honour those that it affects in the most caring way. By just being thoughtful with our words and our strong beliefs. There is every reason to stand for what you believe in and what you hope to be created in our corner of the world. We can also have care with mindful understanding for what appears to be a different point of experience and thought.

Imagine if we tried that.

Imagine if we cared for others, even if they hold a different point of view or belief. I can imagine a world like that and a place for all of our kids to be cared for, as well as our educators, politicians and human experience.

It brings me beautiful thoughts and I believe this has power to create that space for our brilliant world, even in our amazing corner of it."

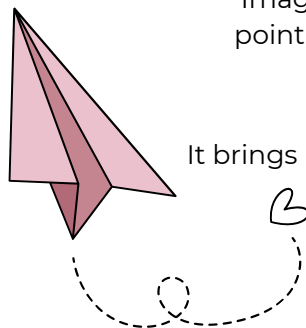

Lori Miller, Family Wellness Worker  
Bashaw and Area Community Resource Centre

Today I hope that you have  
a Peace that makes you  
Smile, Kindness that touches  
your Heart and a Blessing  
that stirs your Soul.

## National Day for Truth and Reconciliation

Canada

## National Day for Truth and Reconciliation

Each year, September 30 marks the National Day for Truth and Reconciliation.

The day honours the children who never returned home and Survivors of residential schools, as well as their families and communities. Public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process.

This federal statutory holiday was created through [legislative amendments](#) made by Parliament.

## Wear orange

Both the National Day for Truth and Reconciliation and Orange Shirt Day take place on September 30.

[Orange Shirt Day](#) is an Indigenous-led grassroots commemorative day intended to raise awareness of the individual, family and community inter-generational impacts of residential schools, and to promote the concept of "Every Child Matters". The orange shirt is a symbol of the stripping away of culture, freedom and self-esteem experienced by Indigenous children over generations.

On September 30, we encourage all Canadians to wear orange to honour the thousands of Survivors of residential schools.

"You learn something every day if you pay attention." -Ray LeBlond
