WALKING CONSENT FORM-2024

Dear Parent/Guardian:

The Bashaw Youth Drop-in Foundation (BYF) will have staff walk with your child from the Bashaw School to Bashaw Youth Centre (4903-50 Ave Bashaw, Alberta).

This supervised walking chaperone is at no cost. BYF requires permission for your child to participate in these walks. Rather than sending home a permission form for each trip, we are asking that you sign below to cover walks, field trips or activities for the BYF year. (January-December). By allowing your child to participate in BYF activities, you are agreeing that the activity is suitable for your child and that there is a risk of injury associated with the activity. Please note: You will still receive a separate field trip permission form for field trips that require vehicle transportation or are longer in duration.
