Spring & 'Newsies'... Coming Soon!

As we move in to a new season, please remember the Family Wellness program is available for all ages and grades at Bashaw School, by parent request. Family Wellness Worker, Lori Miller would be happy to have a conversation with anyone wondering what may support their child! Lori supports students and families through one-on-one support, Roots of Empathy and the Drama Program.

See what is in store for the last half of the school year: "We have just started choreography and blocking scenes for 'Newsies' with Senior High Drama students. This year we are joined by some incredibly talented and enthusiastic Junior High students as well, who are taking Senior High Drama as their option class. They are such a great addition and so welcome in this great group of theatre kids. 'Newsies' shows will be preformed June 5-8, 2025, at Bashaw United Church, please watch for more details in the next months! This Disney classic is based on a true story of the first strike, headed by children, in the early turn of the century. The music is outstanding and these students are up for it!". - Lori Miller

BASHAW COMMUNITY PRIMARY CARE HUB: UPDATE

Later this month, a new model will be operational with a team of physicians and health practitioners offering care to the region at the current Bashaw Medical Clinic. Please read more details for patient enrollment on page 2...

KEY MESSAGES

Your primary care TEAM

Further information about our new physicians, the local primary care professionals who are joining the clinic team, and an overview of the services and care patients can expect from our community clinic will be provided at patient enrollment sessions.

Our expert team will include nurses, pharmacists, mental health practitioners, navigators and physicians working together seamlessly to ensure timely access to exceptional care, right in our community.

The clinic will provide care as a team, making it easier and faster than ever to access care, while providing our patients with continuity.

We also have the flexibility to provide care in different ways, including virtually and in-person!

We know you may have more questions and we will be happy to provide more details in the coming weeks. You can also submit questions by email:

bashawprimarycarehub@gmail.com

Welcoming Six New Physicians to Our Clinic

By the end of March, the Bashaw Regional Wellness Centre will welcome 6 new rotating physicians, and the clinic will be open 5 days a week. This is just in time, as Dr. Nischuk reaches retirement and our NPs Niki and Julie move on to other practices.

Current Patients

If you are a current patient of Niki, Julie or Dr. Nischuk, you will be automatically offered a spot on the clinic's patient roster. Our clinic team will reach out to you to confirm your details and setup an initial onboarding appointment.

New Patients - Within Our Region

A patient enrollment/onboarding session for those whose addresses include the postal code **T0B 0H0** will be held on:

**March 6, 2025 from 1:00 pm to 8:00 pm at the
Bashaw Community Centre.**

Further sessions will be scheduled for the Alix, Donalda and Edberg/Ferintosh areas. Watch for those notices!

New Patients - Outside Our Region

We are currently focused on enrolling patients within our catchment area. If you are interested in becoming a patient, but live outside of our region, please email us and provide your full name and phone number. We will keep your details and contact you when a spot on our roster becomes available.
