## **Message from the Board Chair – 2019**

2019 has been another exciting year for Bashaw & District Support Services. With continual funding cuts and the need for the programming to continue, nothing has been easy, but our team has always found ways to continue to make ends meet and provide vital and necessary services to Bashaw and its surrounding communities.

I feel tremendously privileged to be a part of Bashaw & District Support Services. It is an honour to know that we have so many programs under our umbrella that benefit so many, either directly or indirectly. The programs we provide are essential to many individuals and families, and our team is always looking for additional opportunities to help. Where there is a need, we look for a solution. One such example is our team's tireless effort to recognize the need for Mental Health Supports in our community, reaching out to partners, such as Bashaw School and RCMP, and creating a position to help individuals navigate through the Healthcare System during a stressful and burdensome time of their lives. This kind of initiative shows that our team is not willing to say, "it's good enough", but rather "What more can we do?"

I am extremely grateful to every staff member that is a part of the BDSS team, from daycare staff, to Home Support workers, to those in the office. We could not do any of this without them. They are the frontline for all the clients and truly are the face of BDSS. The staff work incredibly hard to ensure that everyone who enters our building is surrounded in any and all services they need and make certain that no person falls through the cracks. They are amazing and take on so much more than we could ever ask of them, and for that I am enormously appreciative.

The Board of Directors of BDSS is an incredible force who diligently strives to support the staff and continue to make Bashaw an incredible community of which to be a part. Together we make an amazing team and despite the challenges that face our world today, I look forward to another supportive and wonderful year with BDSS. Thank you to all of you to contribute to our success.

Kathy Berry

## **Message from the Executive Director – 2019**

35 Years Strong! I'm sure founding members of Bashaw and District Support Services would have never believed the kind of organization it would become today. I hope they are proud to be part of a heritage that truly fosters a resilient community which looks after its children and neighbours. Thank you to everyone for their support in helping us reach this important milestone.

We would not be here today without the strong commitment of our volunteers. So many give to our organization by helping us raise funds, deliver programming, and build community. Without volunteers, Meals on Wheels would not sustain affordable meals, programs would not have bridge funds available through efforts in casinos, Big Valley Jambo-ree, ticket sales and more. Our community would not benefit from a concerted effort to build better and stronger. Our volunteers come together for focused meetings to overcome any immediate need, or to be part of long-standing committees and board that believe in honoring our purpose. I've never seen a community who believes in volunteerism, and one that offers so much diversity. Thank you to all of you and especially our Board of Directors!

BDSS started from the ground up with one program. 35 years later, we stand strong with 18 different programs. None of these would be possible without the commitment and dedication of our valuable staff. Each staff plays an intricate role in ensuring quality programs and services. BDSS staff build the core of our efforts, working tirelessly without ever asking for anything in return. We all feel like our workplace is where we find our "other family"! I'm proud to have such an amazing team serve our community.

We cannot forget our funders and partners. Too many to list – each of you know who you are. Your trust and investment in our organization and community is humbling. Your commitment to us allows us to work smarter, not harder – demonstrating just how much can be done with every dollar and every hour. We are grateful to join forces with you and meet the needs of our community. Thank you for believing in us!

This year saw us invest a concerted effort into maintaining platinum level programming. We also worked hard on developing Regional Partnerships to better support our neighbours, and in return, garner new/upgraded services and programs for our community members. We believe in choice, locally driven goals, leveraging for success, and the importance of rural communities in Alberta's sustainable future.

We are always on a road to discovery and I trust that 2020 will hold many surprises for BDSS. We will continue the journey knowing that we will end up exactly where we were meant to be!

Christine Buelow

## ANNUAL GENERAL MEETING FOR 2018

APRIL 29, 2019 @ 6:00 PM

### Minutes

**Present:** Sandy Radke, Margaret Baier, Rosella Peterman, Kathy Berry, Mary Ellen Docherty, Holly Chappell Benoit, Christine Buelow, Lori Miller, Marci Albers, Melissa Lenz, Amanda Lyle, Susie Albers, and Mike Stegmann

- 1) **Welcome and Call to Order-** Kathy called the meeting to order at 6:17 pm
- 2) **Agenda-** Margaret moved to adopt the agenda, Lori seconded, **carried**
- 3) **Minutes-** Melissa moved to Adopt the 2017 Annual General Meeting Minutes, Lori seconded, **carried**
- 4) **Message from the Chair-** Kathy reported on the year, thanking the board, volunteers, and especially the hard work and dedication of the staff
- 5) **Program Report-** Christine introduced the two programs we would be highlighting this year:
  - a) **Healthy Families** – Amanda gave a brief presentation explaining her role in our community and the surrounding area and answered some really great questions from board and staff members. This program has already had a great impact on young families and we hope to continue gaining clients in order to keep this program in our area.
  - b) **Daycare Accreditation** – Marci shared our accreditation report from this year, explaining how the process works and how significant it is to be classified as an accredited daycare. Two things she wants to improve in the coming year are a more specific natural disaster policy and creating more cultural diversity in the centre.
- 6) **Financial Report-** Christine presented the audit and financial reports, explaining the various statements. This year we again had a net income, bringing us closer to the goal of having \$50, 000 in our bank account. This is very exciting news! Christine also thanks Sarah Unsworth for all her hard work to prepare the books for the audit.
  - a) Marci moved to Adopt 2018 Audited Financial Statements, Amanda seconded, **carried**
  - b) Mary Ellen moved to appoint Thorogood and Pinches as the Auditors for 2018, Marci seconded, **carried**
- 7) **Election-** Bylaws state that any new nominations must be made three weeks in advance, none were put forward.
  - a) **Election of Directors-** Rosella and Carrie were up for renewal. They both accepted to be on the board again. Margaret, Kathy, and Sandy will also stay on the board to finish their two-year term. Melissa moved to approve the slate of directors for 2018, Amanda seconded, **carried**
- 8) **Introduction of 2018 BDSS Board:**

Kathy Berry- Chair, Carrie Pearson, Vice-chair, Sandy Radke- Secretary Treasurer, Rosella Peterman- Town Representative, Margaret Baier- Director

Amanda Lyle put her name forward for consideration to be on the BDSS Board. Christine will look into our policies to see if there is a conflict of interest since she is the Healthy Families worker. If not, she may join the board.
- 9) **Adjournment-** Lori moved to adjourn at 7:13 pm

## **Bashaw Preschool 2019**

Program Facilitator Marci Albers finished the 2018-2019 year with Mrs. Sheila Seale as the classroom assistant and Colleen Kohlman as a PUF aid to one student.

Some of the highlights from early in the year were: as always building Leprechaun traps, Easter egg hunt, and our glow in the dark party at the hall. We hosted a spring fundraiser through West Coast Seeds that was a great success.

The year end celebration was once again held at the United Church and enjoyed by all that attended. The children are very excited to showcase their abilities to their families and they beamed with pride as they performed songs and poems from throughout the year. Congratulations to the children moving on to Kindergarten. We finished the year with children in the morning class.

September brings many new faces for the 2019-2020. Sheila Seale has returned to our classroom for another year of fun! Mrs. Colleen Kohlman also returned as the PUF aid for one student in each of our classes.

We have some specific outcomes that we encourage throughout the year such as scissor skills, name recognition, pincher grasps, pencil skills, routines, rules, classroom expectations, counting and reciting the alphabet. This school year our curriculum we be focussed on the alphabet. We will be learning a letter of the week with exceptions made for holidays and other special days.

The morning class is a quiet but busy group. We have 10 eager children in attendance with 4 more starting in the New Year. Our afternoon group will be moving onto Kindergarten and consists of 16 cheerful faces.

Some of our fall and early winter highlights were our Halloween party and Remembrance Day. The children made poppies and learned the significant meaning of November 11th and the importance of poppies.

Again, our morning class has been fortunate to partner up with Mrs. Hunter, Bashaw Meadows staff and residents, and the Bashaw Bus Society to engage in a monthly craft session with some wonderful "Grandmas." Thank you Iris, Cathy and Cindy for helping make this a huge success!

We were busy writing letters to Santa Claus. Santa replied to both classes as a group and included some very special sunflower seeds that we are excited to plant.

Thank you to all of the parents, and family members that made time to stay and play with us.

## **Generations Daycare 2019**

Director Marci Albers maintained the centres daily operations and licensing standards and we received our very last accreditation gold star! We have been accredited for 13 years! We work hard to maintain this high quality standard for the children, staff, families, and community. Sheila Seale joined our team at the daycare in January, she has already proven to be a great asset to our preschool team. Our accreditation site visit was a bit stressful as it was the first full term for the current director. In March we passed our visit with great reviews and feedback from our validator.

We are typically quieter during the summer months but not this year! We had 3 regular employees throughout the summer months and 2 employees that helped fill staffing gaps. Summer students are very helpful keeping our play space nicely mowed and kept for us, as well as helping with summer programming and maintenance duties.

September was a busier month as we welcome many children back from summer holidays. We also welcomed two new staff, Miss Hanna Norman and Miss McKenna Reelie as Miss Dakota started her maternity leave at the end of June. We are excited to have new faces and energy in our centre.

The staff turn around for 2019 was minimal. We finished 2019 with an exciting team of six: Miss Marci, Miss Taylor, Miss Adrienne, Miss Sheila, Miss Hanna, and Miss McKenna. Each educator brings a uniqueness that adds to the quality of our dynamic team. We are extremely fortunate to have this wonderful group of educators providing care within our community.

Overall in 2019 our enrollment was consistent.

## Meals on Wheels

This program serves individuals in the community who have difficulty preparing their own meals. Clients are most often seniors, but may also include those who have suffered accidents or illness and are unable to care for themselves for a period of time.

### **COMMUNITY NEED**

Meals on Wheels is an essential service. While in 2019, we saw a small decrease in the number of meals we delivered, those that received meals were extremely grateful and said they would not be able to stay in their homes if not for meals on wheels. In 2019, 759 meals were delivered to those who may not have had the ability to take care of themselves.

### **COMMUNITY PARTICIPATION / PARTNERSHIPS**

This program requires the coordination of volunteers to deliver meals. Community participation has been essential for the delivery of this program. Volunteers are organized through four churches in our community as well as Bashaw Legion and other volunteers who requested to do this service. Volunteers are always welcomed and training is available for any new volunteers. A partnership with the Bashaw Meadows exists as they prepare the nutritious meals that we deliver.

### **CONCERN THIS YEAR**

An ongoing need for volunteer drivers is our main issue. This year, we did recruit some new volunteers, for which we are thankful, but also lost a couple volunteers. When recruiting volunteers, we have now begun to stress that they need to be fit enough to carry trays up and down stairs.

### **HOW ARE WE MAKING A DIFFERENCE? - 2019 Survey Results**

## Volunteer Services

BDSS encourages, promotes, and coordinates volunteer events within the community. Our community flourishes on volunteerism—Every year, BDSS hosts a community Volunteer Appreciation event. This year, we organized a Drop in Volunteer Supper in October to show our appreciation. This was a collaborative event with many other organizations in town. Bashaw has approximately 47 volunteer service organizations. That translates to 1 in 19 community members who volunteer locally...including babies!

### **COMMUNITY PARTICIPATION/PARTNERSHIPS**

In our organization, volunteerism is essential to provide many of the services we provide—Meals on Wheels, Santas Anonymous, Bashaw Food Bank, Roots of Empathy, Preschool, Generations Daycare, Early Literacy Projects, and of course the BDSS Board itself. As a community we are truly grateful to our Volunteers!

As previously mentioned, our volunteer event this year was a Drop In Volunteer Appreciation Supper. Several organizations donated to make the night successful: Bashaw and District Support Services, Bashaw Adult Learning Council, Bashaw Agricultural Society, Bashaw School, Bashaw Recreation Board, Bashaw Thrift Shop, Bashaw Meadows Residents Association, Boys & Girls Club of Bashaw & Area, Bashaw Bus Society, Health and Wellness, Bashaw & District Food Bank. The event was at the school on the same night as Parent-Teacher Interviews, which made it convenient for parents, and allowed for Community members to have a look around the new school. Over 350 people came to the event and the feedback was very positive.

## **Administrative Services**

The administrative services of BDSS include the day-to-day operation of the programs and services including programming, financial records, payroll, accounting, and communication tools such as the Community Connections. Additionally, the administration and program staff provide an information and referral service for the whole community for any area of need or concern a family or individual may encounter.

### **TARGET POPULATION**

These services are available to the whole community. Community members see Bashaw & District Support Services as a place of support. If they don't know where to go – they go to BDSS. Community members call or drop into Bashaw & District Support Services for any and all questions or concerns.

### **COMMUNITY NEED**

Statistics and tracking information indicate that the community has a high need for support services in the areas of mental health, social supports, transportation in and out of town (doctor's appointment and other support options) and one-on-one counseling. The administration staff does their best to provide service or referrals to families and individuals in need. Over 4300 opportunities arose to assist clients between January and December.

### **OBJECTIVES**

- The Bashaw Community will try to create, develop and maintain services that have been identified as needed
- The community will be able to communicate with external agencies with accurate and detailed assessments of need.
- As a rural community, Bashaw will have services equal to those offered by larger centers.

### **COMMUNITY SUPPORTS—WALK-INS**

Community Supports include many services on a walk in basis. These services include (but are not limited to): assistance with photocopying, faxing, computer supports and services, general information about the community, supports and resources, assistance in filling out paperwork and forms, as well as assisting community members in finding resources and assisting them to access these resources.

## **Other Supports and Services**

BDSS provides service to the community through a variety of projects, including the following:

### **COMMUNITY SUPPORT**

Community Supports includes services (but are not limited to): assistance with photocopying, faxing, computer supports and services, general information about the community, supports and resources, assistance in filling out paperwork and forms, lifeline referrals, as well as assisting community members in finding resources and assisting them to access these resources.

### **COMMUNITY CONNECTIONS**

Bashaw District Support Services in partnership with non-profit organizations provided the community and surrounding area with a general newsletter that promoted local non-profit organizations and their events and activities. Public feedback continues to be positive. Community Connections reaches over 600 households in the Bashaw area each month.

### **COMMUNITY CAPACITY BUILDING**

The board and staff of Bashaw District Support Services are committed to building the community. They actively participate in meetings and events to build resources and programs that meet the social needs of all citizens within the community.

### **Partnerships and Community Involvement: Including but not limited to:**

Community Wellness Team, Bashaw Chamber of Commerce, Bashaw Municipal Library, Bashaw Regional Health and Wellness Board, Majestic Theatre, The Happy Gang Centre, Bashaw Historical Society, Bashaw Adult Learning Council, Bashaw School, Bashaw Meadows, Bashaw RCMP, Alberta Health Services, Bashaw Food Bank, Bashaw Bus Society, Bashaw United Church, and so many more.

## ***Non FCSS Funded Programs:***

### **Tools for School**

Tools for School is a program which BDSS has adopted in order to help any children in need within our community to support their learning and development.

Any child who expresses a need, or is recognized as having a need for school supplies is quickly given the proper supplies if they are available. School supplies are generally donated through the generous actions of community members and volunteers. Cash donations are also accepted to the program so that items can be purchased such as Scientific Calculators, or shoes. In the year 2019, Bashaw District Support Services, with the help of generous community members, were able to help various students and all extra supplies were taken to Bashaw School to be kept on hand for need throughout the year.

**COMMUNITY SUPPORT:** Donations of supplies, equipment, and money resources: Servus Credit Union, Food Town, Bashaw Groceries, Home Hardware, and anonymous donors. Bashaw Drugs and Food Town participated by offering collection locations.

### **Coats for Kids (and Families)**

The Coats for Kids Program collects donations of gently worn or new winter outerwear, coats, snow pants, toques, and mitts for children and families in the Bashaw area. In the spring of 2014, under a renewed partnership with the Bashaw Thrift Shop Board of Directors, the program was transferred to the Bashaw Thrift Shop. We have continued to develop our partnership so as to easily refer clients to the shop for the program.

#### **COMMUNITY SUPPORT / PARTICIPATION**

This program would not be possible without the support from the community. We also acknowledge the partnership with the Bashaw Thrift Shop.

### **Benevolent Fund**

Bashaw & District Support Services has appreciated continued partnership to offer assistance through the Benevolent Fund. The donations entrusted to BDSS in 2019 were available to cover any needs that arose throughout the year. Funds were accessed in 2019, on a few different occasions to provide emergency meals and short-term accommodations. Those who accessed the funds were extremely grateful that these funds were available to aid them in their crisis.

Our sincere thanks to the ministers and congregations of Bashaw United Church, St. Peters Lutheran Church, Zion Lutheran Church, and Immaculate Heart of Mary Roman Catholic Church for faithfully supporting this program.

### **Bashaw Bus Society**

In 2019, ridership was similar to 2017. BDSS staff were kept busy with bookings, monitoring drivers, and meeting requirements from Alberta Transportation. Charter trips from Camrose facilities continued to be booked because no out of city service is provided to move patients to other facilities. These long charter trips are very helpful in maintaining the costs of the bus.

<b>Total</b>	<b>150 riders</b>	<b>61 riders</b>	<b>108 riders</b>	<b>49 trips</b>	<b>22 riders</b>

## **Bashaw Food Bank**

Bashaw & District Support Services organizes and administers the Bashaw & District Food Bank, which offers nutritional services to those who need extra help.

Households	181
Children aged 0-17	119
Adults aged 18+	233
Adults aged 65+	38
<b>Total Individuals</b>	<b>390</b>

Our community generously supports the food bank throughout the year. Substantial donations were received at Christmas from Bashaw School, Bashaw United Church, Bashaw Lutheran Church, Bashaw Boys and Girls Club, Lakeside, as well as many individual gifts of both food and money. We have also applied to Foodbanks Alberta and Foodbanks Canada for grants to help better supplement the food bank, especially with ground meat.

## **Breakfast for Learning**

Breakfast for Learning continues to serve all children at the Bashaw School. Generous donations from Bashaw Foodtown, Bashaw

Statistics: Average of 52 breakfasts served daily x 5 days a week = 260 breakfasts/week = 1040 breakfasts/month.

4 volunteers average 9 hours/week

We have approximately 50 kids eating breakfast on cold breakfast mornings. On our hot breakfast days we average 55 students.

Bashaw RCMP are still a great addition to the program when their schedules allow. The students are really enjoying interacting with them.

Sherry Letendre  
Breakfast Program Coordinator

## **Home Support**

Eligible for FCSS Funding, but not FCSS funded at this time.

The Home Support program was provided to 19 clients by three part time staff members. Program advertising continued through the monthly Community Connections newsletter and word of mouth.

### **COMMUNITY NEEDS**

While the majority of clients were seniors, others with health and/or mobility issues are able to receive Home Support. For the senior clients, having someone caring spend a few hours with them in their homes on a weekly or bi-weekly basis meant that they could stay independently in their own homes.

### **COMMUNITY INVOLVEMENT/PARTNERSHIP**

The United Way of Central Alberta provided funding to support operations for the year. As our commitment as partner to The United Way of Central Alberta, BDSS held a successful fundraiser raffle in the fall of 2019. The draw was in December, 2019

### **HOW ARE WE MAKING A DIFFERENCE?**

100% are satisfied with the service provided by BDSS Home Support.

100% are comfortable having the Home Support worker in their home and felt the worker handled all their equipment with care.

100% feel that the Home Support Worker performs her job efficiently, and effectively.

100% have no concerns, and would recommend this program to others.

Comments:

“This program makes a huge difference in my quality of life. Our worker is so fantastic and goes above and beyond!”

“I don’t know what I would do with our Home Support Worker.”

“Having Home support helps me to maintain my home and keep it to my standards!”

“Having Home Support has given me the ability to stay in my home.”

“Having such good quality at a low price makes it much easier to keep up with household chores.”

### **Annual BDSS/United Way of Central Alberta Raffle**

The 2019 raffle offered 10 prizes and was well received. Prizes were a variety of cash and vacation packages to Alberta destinations with a few extras-gas cards and road trip snacks and necessities. Thank you to our partners and volunteers for helping sell tickets, and to those who supported by donating or purchasing. We sold more tickets this year than ever before!
