MONTHLY NEWSLETTER

Making Food Accessible to Everyone

During 2024, a total of 337 hampers were accessed at the Bashaw & District Food Bank. As a region, we are fortunate to have multiple local food bank facilities, offering monthly access to hampers.

The food bank is supported by our community and we are truly appreciative of all the donations we receive. We accept both financial & in-kind donations and can give a charitable receipt for both types (for in-kind, please bring the store receipt). Please consider supporting your community and make a donation.

Meet our team

who will care for Bashaw along with the Physicians from Sylvan Lake!

Lenee Reiman, LPN

Lenee grew up in Rosalind, attended nursing school in Edmonton and then moved to Forestburg with her husband where they raised two daughters. They recently moved to the south side of Buffalo Lake at Buffalo Sands.

Most of Lenee's nursing career has been in rural nursing in either hospital or clinical settings which she truly enjoys. When she's not at work, she enjoys spending her time with family and friends outdoors at the lake, golfing and gardening.

Jaycee

Dawbin, RN

Jaycee grew up on a family farm just outside of Bashaw and earned her Bachelor of Science in Nursing from the University of Alberta.

She has been working in rural healthcare since graduating and is thrilled to be back serving the Bashaw community once again.

In her free time, Jaycee enjoys spending time with friends and family, trying new things, and staying active with her favorite sports and hobbies.

Haley Oberg, RN

Haley has lived in Bashaw her whole life and graduated from Bashaw High School. She completed her Bachelor of Science in Nursing at Red Deer College.

Haley and her husband farm east of Bashaw and are raising their one year old twin girls near Pelican Point. In her spare time, she enjoys running, bunting, and playing

hunting, and playing with her girls.

Amanda Lyle, Medical Office Assistant

Amanda brings not only her skills and compassion to our team but also a deep commitment to families in our community. She is also a facilitator for the Healthy Families program, supporting children and parents in raising kids who are healthy, safe, and secure. When she's not at work, Amanda enjoys spending quality time with her children at sports and dance activities, camping adventures, and relaxing with her favourite hobby—crocheting!

Ashley Sehlstrom,

Sehistrom, Medical Office Assistant

Ashley was raised on a farm near Rosalind and moved to Bashaw in 2007. She began working at the Bashaw Medical Clinic in 2019 and has since enjoyed caring for members of the community.

She currently lives on an acreage just outside of Bashaw with her husband and three children. In her free time, she enjoys spending time with family and friends and watching her children's sporting events.

Will you be ready in an emergency

When dangerous situations arise, it's important to act quickly. Having an emergency kit can help reduce the stress of making important decisions in urgent situations.

Get ready by building a kit. Choose bins, backpacks or rolling suitcases and fill them with supplies to last several days. Store them in a place where you can grab them quickly and easily.

Here's what to pack

Food and water

- Water (4L per person per day)
- Non-perishable food with high protein
- Trail mix/dried fruit
- Crackers and cereals
- Canned meat, fish and beans
- · Canned/boxed juice

Clothing and bedding

- Change(s) of clothing appropriate for the season
- \bullet Extra undergarments and socks
- Raincoat, poncho, jacket
- Spare shoes
- Sleeping bag, blanket or emergency heat blanket Light and fuel
- Battery-powered or crank flashlights/lamps
- Candles with candleholder
- Lighter
- Waterproof matches

Equipment

- Manual can opener
- Dishes and utensils
- Battery-powered or crank radio
- Extra batteries
- Pen and paper
- Pocket knife
- Duct tape
- Whistle
- Cell phone
- Extra charging cables and batteries
- Multi-tool and work gloves

Personal Supplies and Medication

- First-aid kit
- Personal hygiene supplies
- Tissue paper, toilet paper, and paper towels
- Over-the-counter medications and prescription
- Copies of prescriptions
- Back-up pair(s) of prescription glasses
- Pet food and supplies (including toys)
- · Liquid detergent and soap
- Plastic wrap, aluminum foil, re-sealable bags
- Garbage and recycle bags
- Hand sanitizer and wipes
- Disposable dust and non-medical masks
- Sunscreen and bug spray

Documents and identification

- Personal identification
- Copies of birth and marriage certificate,

will, passports, citizenship papers

- Insurance policies
- Cash (small bills and change)
- Credit card information
- Copy of your emergency plan

- Contact list
- Personal items, if time allows (photos, computers, hard drive, heirlooms, etc.)

Distraction and comfort items

- Small toys and stuffed animals
- · Playing cards and games
- Reading material
- Activity books and crossword puzzles
- Colouring books and markers
- Charging cords for electronic devices
- · Notebook and pen
- Family photos

When you build your kit, consider additional needs such as:

- Pregnant or breastfeeding
- Infants and small children
- Mobility
- Cultural, religious, spiritual
- Severe allergies or dietary restrictions
- Chronic medical conditions and medical equipment with back up power (talk to your healthcare professional for advice)

Make a mini kit

Being prepared can take the inconvenience out of unexpected situations. A mini kit that goes where you go can help to keep you prepared for whatever comes your way. Items to consider including:

- Small amount of cash
- Hand sanitizer and extra non-medical mask
- Bus tickets
- Phone charger
- Package of wipes/tissues
- Painkillers and back up medication

BE PREPARED FOR EXTREME HEAT

Extreme heat

Everyone has some level of risk to the harmful effects of extreme heat. Reduce your risk of serious health issues (even death) by being prepared before a heat wave occurs.

Who's most at risk?

Older adults

Infants and young children

Women who are pregnant

People who work and exercise outdoors

People with reduced mobility

People experiencing homelessness

People who live alone or are socially isolated

People with pre-existing medical conditions and illnesses

People with substance use disorders

People living in high density housing with no indoor cooling

What can you do?

Keep you and your loved ones safe by having a plan and the supplies you need to stay cool, hydrated and informed.

Indoors: Identify cool zones in your home to stay comfortable and drink plenty of water. At night, open windows and use fans to pull cool air indoors. Before bed take a cool shower and apply a cold towel to your neck.

A digital thermometer in your home can help you monitor the heat. If it becomes too hot, go to an air-conditioned shelter.

Outdoors: Plan activities during the coolest part of the day. Avoid direct sun, seek shade, and wear sunblock, a hat and light coloured loose-fitting clothing. Never leave people or pets alone in closed vehicles.

Stay Hydrated

Drink plenty of water before you feel thirsty, be aware that sugary, caffeinated and alcoholic drinks cause dehydration. Remind others to drink water too.

Be Prepared

When hot weather is in the forecast, make a habit of gathering supplies to keep your household (including your pets) cool and hydrated. Make a personal health emergency plan for those who are most at risk.

Know the signs of heat illness, set up a buddy system to stay connected with neighbours, friends, family, and those who are high risk, to help keep each other safe. Call 9-1-1 if anyone is unconscious or needs medical help.

Stay Informed

Extreme heat can affect air quality and disrupt services like power and water.

Use the WeatherCan App or Public Alert website for weather updates and Special Air Quality Statements in your area. You can also subscribe for updates from your utility providers.
