INTRODUCING... The Holliday Hauler Community Mini-Van

In just six years, Staff Sgt Bruce Holliday helped create a legacy of kindness, collaboration, support and caring for the communities within the Bashaw region. Bruce put 100% effort and passion into everything he did. He was authentic, generous and compassionate as well.

Staff Sgt Holliday was a great leader, mentor and motivator. Working alongside Bashaw & District Victim Services, Bashaw Wellness Team and many other regional organizations, he always demonstrated innovation, promoted resiliency and looked for collaboration. The "Holliday Hauler" is proof of the hope and inspiration he cultivated into the community.

The Holliday Hauler Mini-Van is the special creation of the Bashaw & District Victim Services Board. The board recognized that there was a need in the community for reliable transportation. Whether it be helping a community member get to an appointment, picking up food for the Food Bank, transporting sporting teams, assisting community organizations with tasks – there certainly was need!

Bashaw Victim Services, approached Bashaw & District Support Services to partner with the project. The BDSS Board and staff saw the importance of this project and signed on to be the owner/administrator of the Holliday Hauler Community Mini-Van...

...Months were spent looking for the “right” mini-van that would bring reliability and longevity to the project. Thankfully, Troy from Gary Moe Chrysler – Lacombe came to the rescue, finding us our new mini-van. Troy, together with Gary Moe General Manager Matt, brought a great purchase price and maintenance package together that will ensure this van stays on the road safely for years to come. Thank you to them for their partnership!

Next came the graphics design for the vehicle wrap. Partners knew they wanted to incorporate the colors of the RCMP. Sign Masters became a valuable partner in doing this and designed many options for consideration that could be tailored to exactly what we were needing. Thank you to them for the hours put towards this project in helping us settle on a design and completing a stellar graphic wrap installation. On behalf of Bashaw & District Victim Services and Bashaw & District Support Services, we are proud to present to you the Holliday Hauler Community Mini-Van – a lasting legacy of the late Staff Sgt Bruce Holliday. We hope that everyone will enjoy seeing it travel the roads of Alberta supporting important work for the Bashaw Region.

Circle of Security INTERNATIONAL

Early Intervention Program for Parents & Children

Strengthen your parent- child relationship with the Circle of Security Parenting Program.

All parents wish their children came with an instruction manual. It often feels like we are making it up as we are going along...never sure if we are getting it right.

You're not alone.

When your child's behaviour has you confused and frustrated, it's not uncommon to wonder what's wrong with them...or what's wrong with you. We find ourselves asking "Why would they behave this way?"

Build a stronger relationship to help you navigate your child's ups and downs

Circle of Security Parenting is an 8 week parenting program based on years of research about how to respond to your child's needs which often leads to a change in your child's behaviour.

Be Bigger, Stronger, Wiser and Kind

Through the Circle of Security Parenting Program you will learn how to respond to your child's need for connection while being Bigger, Stronger, Wiser and Kind so you can set limits and help your child to build a strong sense of security and confidence.

Group or one on one sessions available.
