MONTHLY NEWSLETTER

Be Prepared. Know Your Risks.

As weather patterns around the world change, BDSS Emergency Social Services Team, along with the Alberta Government and Government of Canada continuously train, plan, and prepare for events within our area. This year, the highest risks for our zone in order of priority are:

- 1) High Heat
- 2) Power Outages
- 3) Severe Storms, including high winds

Please take a moment to consider your personal situation, and do some planning to look after your immediate needs in the event an emergency strikes. We invite you to attend our session on June 17, as well as download the Alberta Emergency Alert App on your phone.

For any local emergency that comes our way, know you are in good hands with the partnerships of Town of Bashaw, Bashaw Fire Department, Camrose County, Alberta Emergency Management Agency and BDSS ready to manage and support any situation that arises.
