# Fuel for School- Rural Nutrition Initiative

Bashaw & District Support Services has enjoyed hosting the Fuel for School - Rural Nutrition Initiative. It's been an honor to work with the Government of Alberta to ensure nutritional opportunities are available for school age children. We believe in the importance of fostering a healthy mind and body so that kids can focus on learning while in school.

The **Fuel for School - Rural Nutrition Initiative** serves the schools of **Mecca Glen, Alix, Donald and Bashaw**. The program is intended to provide universal access to quality food within each school.

March to May stats report over 13,500 servings within our participating schools. The efforts from School Administration, community leaders, volunteers, and program staff greatly contributed to the success of launching and delivering this initiative.

We wish to thank our valuable partners: Lionel's No Frills, Bashaw & District Food Bank, very generous donors (eggs, bread, cutlery, etc), program and community volunteers, community groups, and of course the Government of Alberta for making this affordable, attainable, and successful!
