What is Healthy Families:

We offer both pre-natal and parenting support for families with children 0-6 (with extension of working with families and their children up to the age of 13, if pre-natal - age 6 children are present in the home).

The intent of Home Visitation is to increase protective factors thereby increasing a family's capacity to provide responsive parenting in a safe and nurturing environment. You could say the relationship between parent and child is our client. We utilize tools and resources that encourage critical and creative thinking, that build on the knowledge and skill set that the parent already possess. We use a curriculum with the families called Growing Great Kids to help support the transformational part of parenting and relationship coupled with Alberta health resources to support the transactional part of parenting. We work closely with community partners to ensure a holistic approach to families identified needs are addressed and to build community capacity to access supports for long term parenting success.

We also offer PCAP for eligible families, which allow our facilitators to work with families whose children may not be in their care, but still supporting the families on their road to recovery and their identified goals of what successful parenting looks like for them. Eligibility for our PCAP program is

- Pregnant or postpartum up to 1 year of age
- Used or continue to use alcohol and/or other substances during their pregnancy
- And wish to make a change for themselves and their families

Legacy Fund

Make a lasting difference in your community. You may choose to meet with Management Staff to create your own legacy fund, having choice in areas of giving. We will work with you to set up an agreement that gives you years of lasting impact. Funds can be utilized in Bashaw and area, or to serve the entire region.

Moving a community to a place where people are healthy, safe and cared for takes a concerted effort.

More Information:

If you are interested in discussing any of these giving opportunities in detail, please visit our office on main street or and ask for Christine. We can issue tax receipts for donated items and cash.

Merry Christmas!

2021 Highlights

The Pandemic allowed us to showcase our readiness to respond to our community's needs and to provide trusted leadership through such uncertain times. We were able to offer quality, unique services in ways that respected restrictions and also met the needs of those receiving service.

-Christine Buelow, B.D.S.S. Executive Director
