Caring for Each Other

A key factor in how we promote a healthy community is through the efforts of the Community Wellness Team. The Community Wellness Team is a partnership between many organizations in our community, but managed by four pillars: Bashaw & District Support Services, Bashaw Adult Learning, Bashaw School, and Bashaw RCMP. This Team was created in order to better meet the needs of individuals and families by collaborating to identify and prevent crises in our community. Services provided:

- Support in navigating through healthcare, court system, etc.
- Information and referral
- One-on-one support

A NEW Identity

Have you heard 'BDSS' referred to as, 'Bashaw CRC' lately, but are still wondering: What does that mean? We are in the process of updating our branding...

While BDSS continues to provide community based, preventative social programs, much has evolved within the scope of all that is offered in our building and how those services are delivered. Over the past year, rebranding efforts began to help reflect the broad purpose and range of services offered by BDSS, Bashaw Adult Learning, Bashaw & District Food Bank and the Community Wellness Team along with their partner's. This led to the adoption of a new name, 'Bashaw & Area Community Resource Centre' or 'Bashaw CRC'.

The new identity represents, not only the place where Bashaw & Area residents go to access wrap around services, but all of the organizations who are collaborating to ensure that these offerings continue to be available within our community. This is an exciting milestone in our efforts to bring responsive and accessible programs and services to our rural area.

News from Bashaw Royal Purple

A couple of benefits of belonging to a group is making new friends and being active in your community.

The Bashaw Royal Purple is welcoming ladies that would enjoy belonging to a fun group of volunteers. In 2021 we doated \$6500.00 to 11 different Bashaw groups. Our monthly meetings deal with our various commitments within the lodge and updates from our National lodge. The meetings are usually short and always followed with a great lunch and fun social time. In Dec. we made Christmas wreaths with the help of Cindy (and her helpers) from Bashaw Farm Supply.

The Community Centre is our home. We meet there, cater there, have bridge tournaments there and some fun events.

If interested in joining us,
just call 780-372-3634 or 780-372-3589.

This year we are honored to have one of our members, Barb Bambrick, as President of National Royal Purple. It is a big responsibility and we are very proud of her. Come and check us out.
