# Community Connections

MONTHLY NEWSLETTER

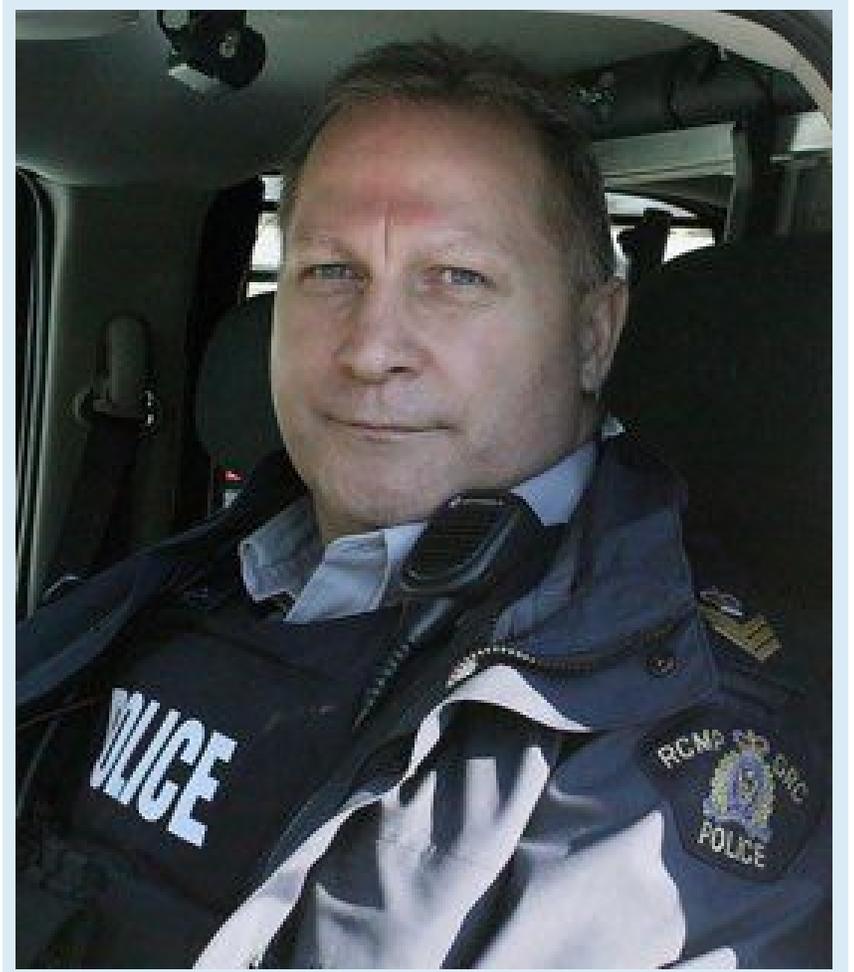

## We are forever grateful for your contributions.

In just six years, Staff Sgt. Bruce Holliday helped create a legacy of kindness, collaboration, support and caring in our community. He was a protector of all things . . . his country, his community, his friends, the young constables he worked with and most importantly, his beautiful family.

His career history was impressive, but in our community, he co-founded and created a model of service that would prove to strengthen and sustain many vulnerable and at-risk community members throughout the region.

Bruce was authentic, generous, and compassionate. He ensured that those who felt rejected knew that he was a safe place to land by taking the time to help them understand that they were important and included.

The courage and wisdom he had to be tough when necessary, and gentle when needed, was not common. Though he is no longer here with us, his legacy will continue to inspire and motivate us as we broaden the work in other rural communities.

We are left with a profound sense of loss, but we take comfort knowing he is at rest after spending his life serving others and that our community had the opportunity to learn and grow because he was here.

We are grateful for his friendship and to his family for sharing him with us. Thank you for your service, Staff Sgt. Bruce Holliday.
