## If you are not changing it, you are choosing it.

..... BASHAW COMMUNITY WELLNESS PROGRAM .....

How can change be measured? A Social Return on Investment (SROI) analysis is a tool for communicating a nonprofit's benefits to the community. It indicates the impact on stakeholders, identifies ways to improve performance and how to enhance the performance of investments. Results from a recent study, by Catalyst Research and Development Inc., has shown that the investment in **the Bashaw Community Wellness Team's work is providing a social return of 11:1**. This means that the initiative has more than re-paid the investment in its 2-year implementation period.

We are very excited about these results, from the 2021 analysis. In one of the Team member's words: "Too often, rural communities sit and wait for government, agencies and institutions to provide services, funding and the supports they need. Our thinking must move from 'why don't we have what we need?', to 'we will create what we need' and request government and institutions to collaborate with our models of service.... It is about building local, rural capacity to create and sustain positive change.". Lasting change will take time and focused attention, this early evidence is promising.

The same model at work in Bashaw and Area has been duplicated in two other communities over the past couple years, first in Alix and most recent in Donaldda. A region with the same boundaries as the Bashaw RCMP, is now being served by similar forms of community action.

If you want to learn more or have any questions regarding the evaluation or program contact us. We would love to hear from you!

## Essential to Community Well-being

Bashaw & District Support Services organizes and administers the Bashaw & District Food Bank. **In 2021: 201 Households were served, comprising of 344 Individuals.**

Our community generously supports the Food Bank throughout the year. We receive donations from local partners, including a substantial donation in November 2021 from the Bashaw School, "We Scare Hunger Food Drive", during their Halloween Festivities. As well, we have continued to receive great support from Food Banks Alberta throughout the Pandemic. **THANK YOU all supporters!**

Each Household can receive one hamper per month. If you are struggling to make ends meet, particularly at this unprecedented time, please contact us and we will be happy to assist you.

## Hello families of Bashaw and Area!

My name is Daneille Ostafichuk, I am a Program Coordinator at the Camrose Family Resource Centre.

I currently work out of **Bashaw & Area Community Resource Centre**, on Tuesdays where I meet families with children aged 0-18 years; sharing information and resources.

Growing up rural Alberta I am so happy to be here connecting with families from small town roots. With two children of my own I know how hard it can be to navigate all the challenging pieces that make up our children, teens and their needs; I love sharing strategies, tips and tricks, that might make home life a little less challenging
