## Celebration

The Novena Masses have been going well, and we are delighted to see student participation and attendance. Now we call upon our parents to volunteer to close the nine day celebration by signing up to work on Saturday and Sunday. We currently need volunteers for our bake sale. If you are interested please contact the PC. The Our Lady of Fatima Society graciously donates the proceeds from this celebration to our school. Our parent volunteer hours not only help the school financially, but show gratitude to a society with a long standing tradition of generosity.

## Safe Environment

It is officially field trip season. Please know that in order to participate in a field trip with your student you must have all aspects of Safe Environment fulfilled. This includes fingerprinting through the diocese, completing Safe Environment Training, and have a clean TB assessment. If you have any questions about what you may still need to complete please contact Mrs. Cota in the office. Please also understand that we have these guidelines for the safety and protection of our students and your compliance is necessary and obligatory.
