## Celebration

We had a beautiful nine evenings of Novenas and a fantastic Celebration this past Sunday. Thank you to all the families who made attendance a priority. I would also like to take a moment to acknowledge the hard work of the Society, and the Society President Miss Machado. You all work so hard in the name of Our Lady and to help support our school. We are truly grateful. To all the OLF parents as well, thank you for your continued commitment and for all of your help during this special time of year. It is so heartwarming to see us all come together as a community to celebrate our faith and to support one another. We are so very blessed.

common days into  
thanksgivings, turn routine  
jobs into joy, and change  
ordinary opportunities into  
blessings.*
