OUR LADY OF FATIMA SCHOOL

Our Lady of Fatima, Pray for us.

In this week's folder:

- November Calendar
- Los Banos Community Center Flyer

Extracurricular Hot Lunch

We are currently looking for volunteers for our Extracurricular Hot Lunch. This hot lunch is for the benefit of the Choir, Traffic Patrol, and our Altar Servers. Funds raised will be to send them on an end of the year celebration field trip. As there is no "Room Mom" for these activities, we need someone to coordinate and facilitate this hot lunch, including soliciting volunteers. If you are interested in helping with this hot lunch please contact Mrs. Cota in the office. Thank you for all of your continued support, it is our parent community that allows us to provide so much to our students.

Upcoming Events:

- 10.31.18 Fall Carnival
- 11.1.18 All Saints Day
- 11.7.18 Extracurricular Hot Lunch
- 11.8.18 End of Trimester 1
- 11.9.18 Veteran's Day Celebration
- 11.14.18 Report Cards Home

When you rise in the morning, give thanks for the light, for your life, for your strength. Give thanks for your food and for the joy of living. If you see no reason to give thanks, the fault lies in yourself.

-Tecumseh

STAR Testing

We will be beginning our second round of testing Monday October 29. It is important that during testing time students come to school after having had a fulfilling breakfast and a good night of rest. We endeavor to make testing a positive experience for our students, and we can do so by working together as a team. Often times parents have questions regarding testing and how testing may effect their child's education. Here at Our Lady of Fatima School we use testing opportunities to glean some insight into our students strengths and areas of needed growth. The data provided by these tests allows us to pinpoint where exactly your student may be struggling so we can develop a learning plan to meet their needs. If you have questions about how your child is doing on their tests, or want more information as to why we administer them, I encourage your to reach out to your teacher for insight and clarification.
