## In My Absence

We are coming close to my maternity leave and I expect many of you are waiting to hear what will transpire in my absence. First, we expect all business will continue as usual. There will be zero disruption to the academic and spiritual lives of your children. That being said, Mrs. Heddie Costa has agreed to fill in for me part time until I return in April. Mrs. Costa has a long established relationship with Our Lady of Fatima School. She is passionate about the growth of all of our students and the continued excellence of our school. She will be supported by Joan Bouchard, Assistant Superintendent to the Diocese of Fresno. I am thankful to Mrs. Costa to step in to what can be a very challenging position. I ask you treat her with the kindness and generosity of heart you have all extended to me.

*A Christian reveals true humility  
by showing the gentleness of Christ,  
by being always ready to help  
others, by speaking kind words and  
performing unselfish acts, which  
elevate and ennoble the most sacred  
message that has come to our  
world.*

## Adopt a Service Man

As most of you are aware we have adopted a Serviceman this year. Jeremiah Laupua is a marine currently overseas. He is the son in law to Mrs. Silva in Pre-school. We are sending Christmas Cards to him from our students. We do many of these projects in class, but we would like to invite you and your families to send a personalized card as well. The Christmas Season can be difficult for our service men and women and their families when they are separated. If you would like to send out a card please have it to us Friday morning and we will be sure to include your card in his package.
