# OUR LADY OF FATIMA SCHOOL

Our Lady of Fatima, Pray for us.

## In this week's folder:

- 8th Grade Hot Lunch Flyer
- May Calendar
- Parent Club Invoices
- Debbie Parreira Memorial Blood Drive

## EASTER BREAK

Tomorrow at noon we will begin our Easter vacation. I hope you and your family have a restful and blessed week off. I look forward to hearing of student adventures upon their return. When classes resume on April 29 we will be only four weeks away from Summer Vacation. It is hard to believe the year has flown by so quickly. Be sure to communicate with your child's teacher regarding end of the year activities and field trips, we want to ensure all of our families enjoy the close of another successful academic year. Easter is a time of celebration of the gift of hope and salvation we have been given. May you all bask in the Triumph and Glory of God.

## STAR Testing:

We will begin our third round of STAR testing Monday April 29. Please make sure your child is well rested and filled with a hearty breakfast. Our students have been showing immense growth this year. Let's keep up the good work!

## Spring Fever

This time of year brings with it certain excitement and enthusiasm. Our students are eager for Easter Vacation and already counting the days until summer. This time also brings with it a certain amount of uncertainty. We wonder how our students grew and we wonder how they will adjust to a new school year. Here at Our Lady of Fatima we tend to wonder who our children will be placed with next year. I have heard several rumors, and my teachers have been approached with several rumors regarding classes for next year. I encourage you not to engage in idle chatter regarding decisions of the school, those kinds of conversations tend to only lead to unrest. When plans for next year have been made I will inform the school community. I assure you that the rigor of your children's education is my highest priority. I believe that the students at Our Lady of Fatima School are capable of greatness, and we intend to continue to cultivate their gifts with each passing year.
