

## Water Quality Emergency Notification Plan – FRESNO COUNTY

|                                   |  |   |                      |
|-----------------------------------|--|---|----------------------|
| <b>Name of Utility</b>            |  | <b>Classification</b>                       | <b>System Number</b> |
|                                   |  |   |                      |
| <b>Physical Location Address:</b> |  |   |                      |
| <b>Population:</b>                |  | <b>Total number of Service Connections:</b> |                      |

The following persons have been designated to implement the plan upon notification by the Division of Drinking Water that an imminent danger to the health of the water users exists:

| Water Utility:<br>Contact Name & Title |  | Email Address | Telephone |           |
|--|--|---------------|-----------|-----------|
|  |  |               | Primary   | Secondary |
| 1.                                     |  |               |           |           |
| 2.                                     |  |               |           |           |
| 3.                                     |  |               |           |           |

The implementation of the plan will be carried out with the following Division of Drinking Water and County Health personnel:

| Contact Name & Title   | Telephone    |              |
|--|--------------|--------------|
|  | Office       | Work Cell    |
| 1. Sudarshan Poudyal, Fresno District Engineer<br>SWRCB – DDW, Email: <a href="mailto:sudarshan.poudyal@waterboards.ca.gov">sudarshan.poudyal@waterboards.ca.gov</a> | 559-447-3038 | 559-731-1208 |
| 2. Jeff Densmore, South Central Section Chief<br>SWRCB – DDW, Email: <a href="mailto:jeff.densmore@waterboards.ca.gov">jeff.densmore@waterboards.ca.gov</a>          | 805-566-9021 | 805-570-7830 |
| 3. Matt Gore, Environmental Health Specialist-Supervisor<br>Fresno County Env. Health, Email: <a href="mailto:mgore@fresnocountyca.gov">mgore@fresnocountyca.gov</a> | 559-600-3357 | 559-600-3357 |

**4. If the above personnel cannot be reached, contact:**

**Office of Emergency Services Warning Center (24 Hrs.)**      **(800) 852-7550 or (916) 845-8911**  
When reporting a water quality emergency to the Warning Center, please ask for the  
State Water Resources Control Board - *Division of Drinking Water Duty Officer.*

| Name of Utility | Classification | System Number |
|-----------------|----------------|---------------|
|                 |                |               |

**Notification Methods. Please check minimum of two:**

Door-to-door delivery

Posted Notification

Social Media or Email

News Media (TV, Radio)

Reverse 911/Telephone

Other: \_\_\_\_\_

**ESTIMATED Time to Issue Notice:** \_\_\_\_\_ **hours (Must be completed)**

**Below, describe the method or combination of methods to be used to notify customers in an emergency.** For each section of your plan give an estimate of the time required, necessary personnel, estimated coverage, etc. Consideration must be given to special organizations (such as schools), non-English speaking groups and outlying water users. Ensure that the notification procedures provided are practical and can be implemented in the event of an emergency.

**Plan attached or additional sheet(s) added to this form.**
