## **Why Choose Kristen Hann Coaching?**

I love to partner with families to help their student name his or her strengths, find a great path, and take the next step into the future! Let's work together to make a plan you and your student will be proud of!

## You Could...

- Go To College
- Find A Trade
- Take A Gap Year

...Let's Decide  
Together

## Deep Breaths!

You can turn stressful planning sessions into life-giving coffee chats that support (instead of stress) the student you love.

Let's work together to find your student's best next step after high school.

My response to  
every family  
college &  
career fight.
