

Welcome to MIX

Elegant. Unforgettable.
Entirely you.

Welcome

We're so excited to be part of your upcoming event! MIX was created from a shared love of celebration, creativity, and beautiful moments that feel just a little bit extra. We're a woman-owned mobile bartending service based in the Hudson Valley, and we specialize in delivering elevated bar experiences that are tailored, stylish, and totally seamless. Whether you're hosting a wedding, a backyard soirée, or a corporate gathering, we're here to help you craft a beverage service that feels intentional and unforgettable.

So, what exactly is a dry hire?

Great question—we get this a lot!

A dry hire means you provide the alcohol, and we handle everything else. Think of it as BYOB... but elevated. Here's what's typically included:

- Professional bartender(s)
- Custom bar setup tailored to your vibe
- Mixers, garnishes, and tools (depending on your package)
- Coolers, straws and service ware
- Menu consultation and personalized cocktail planning
- Setup + cleanup

This structure not only keeps things customizable and budget-friendly, but it also allows you to source your favorite wine, beer, and spirits from wherever you like. No pricey markup, no limited selections—just what you want, how you want it. If you'd prefer to supply everything and only need us to bartend, we can do that too!

Pro Tip: If you've never sourced alcohol for an event before, don't worry—we'll guide you through exactly how much to get and where to find it.

Already Booked? You're in Good Company.

We've already begun booking events across the Hudson Valley, Capital Region & beyond, and we can't wait to bring MIX to yours.

Let's raise the bar—together.

With love,
The team at

Signature Cocktails

MIX Signature Cocktail Menu

Crafted cocktails, inspired by the seasons, stirred with intention, and infused with the soul of the Hudson Valley.

Blueberry Lemon Drop

Blueberry vodka, kissed with garden-grown simple syrup and fresh lemon juice, blended with locally pressed lemonade. Finished with a sugared rim and fresh lemon zest-sweet, tart, and endlessly sippable.

Blueberry Coconut Margarita

Muddled Hudson Valley blueberries and creamy coconut meet tequila and citrus liqueur in this lush take on a margarita. Vibrant, smooth, and island-dreamy with a local twist.

Grapefruit Thyme Fizz

Bright grapefruit juice and house-steeped thyme bring a floral sparkle to vodka and lemon soda. Bubbly, botanical, and made for golden hour.

Hudson Valley Shandy

A spirited mix of pink lemonade and light beer, with a hint of raspberry and citrus liqueur. Breezy and playful with a nod to summer festivals and front porch evenings.

Maple Old Fashioned

A fireside favorite featuring bourbon, bitters, and rich maple syrup tapped straight from Hudson Valley trees. Stirred and served over ice with a sugared rim and orange essence.

Cucumber Mint Lime Spritzer

Garden-fresh cucumber and mint-infused vodka, elevated with mint syrup and zesty limeade. Topped with sparkling soda for a clean, crisp finish.

Watermelon Cooler

Juicy watermelon purée, basil, and a touch of ginger meet lime and your choice of vodka or gin. Finished with soda or a splash of Sprite-summery, bright, and effortlessly cool.

PB W Russian

Peanut butter whiskey, vanilla vodka, and rich Kahlúa come together in a silky cream blend. Sweet, bold, and indulgent-the perfect slow-sip treat.

Peach Bourbon Reach

A smooth fusion of bourbon and super-ripe peach purée with a whisper of bitters. Think orchard harvest in a glass-warm, juicy, and full of charm.
