

Dear La Pine Community,

I'm excited to share some great news about our baseball program! As we work to revitalize youth sports in La Pine, we want to ensure we're building a strong foundation for our young athletes.

Starting a true feeder baseball program is no easy task, which is why we are thrilled to announce our partnership with Bend South for the upcoming season. This collaboration will give us the support we need as we develop our program.

I'm also happy to share our long-term vision: we plan to create the La Pine Hawks Little League! This new league will provide a structured environment where our kids can grow, compete, and learn the game. We believe the La Pine Hawks will foster a sense of pride and community for our players and families.

With the help of Bend South, our young athletes will be able to register here in La Pine and practice locally. We'll also work together to create a schedule that allows for games in both La Pine and Bend throughout the season. This will give our players valuable experience and strengthen our community ties.

We know that starting a new program comes with challenges, but we are committed to making this a positive experience for everyone involved. Our goal is to create a safe and welcoming environment where kids can learn the fundamentals of baseball and make lasting friendships.

Thank you for your support as we embark on this exciting journey. We can't wait to see the La Pine Hawks in action and will keep you updated on our progress. If you have any questions or ideas, please feel free to reach out. Together, we can make a meaningful impact on our young athletes!

Best regards,

La Pine Sports Academy
