

Registration FAQ'S

How do I sign my child up with a friend?

Step 1: Ask your friend if they have a code. If not, register as a small group and generate a new code.

Step 2: Save your code (take a screenshot so it's easy to share!)

Step 3: Have your friend register by selecting "Register as a small group", and use your code.

That's it! We will do our best to place your child with their friends on a balanced team.

When does practice start?

August 18th will be the first practice date. Your player's coach will be giving you the full schedule during parent/team introduction week, which will be the first week of August.

When will games be?

Games will take place on Saturdays. Our first game will be on September 6th, and October 11th will be the final tournament day. Awards ceremony is October 18th

What is my registration fee paying for?

Hawks Youth Volleyball is part of La Pine Sports Academy (LPSA), which is a non-profit organization. It relies primarily on registration fees to cover operating costs such as gym rental fees, equipment, referee fees, etc. Our goal is to promote the development of volleyball skills and sportsmanship for all youth in our community.

How can I become a sponsor?

We have a sponsorship package for every budget. Visit our website lapinesports.com and go to the Hawks Youth Volleyball page for more information! You can also email lucretia@lapinesports.com to ask questions and make a sponsorship plan. If you're interested in volunteering in some way other than monetarily, please reach out to Lucretia Gamez by emailing lucretia@lapinesports.com. We're excited to hear from you!

For more information on our program, please visit lapinesports.com and click on the "Hawks Youth Volleyball" page or send us an email!
