Terms and Conditions

- Non-refundable deposit of 15% of agreed fee or £75 (whichever is greater) to be paid in order to save the date. **see below*
- All shots taken (minus any that are totally unusable) will be provided to you on a memory stick or uploaded to a place of your choosing such as Google Photos, Apple Photos, Dropbox etc. I will edit where necessary and put the edits in a separate folder on the stick to give you the choice of original or edit. Edits may have a small watermark with my logo/contact information. (example at bottom of page)
- If there are any shots after the wedding you want me to work on again, I will of course be happy to do so. As part of my edit work, I usually try to take out any skin blemishes/acne, but this is very subjective...that's why I give you the originals too.
- I retain copyright on all images, and reserve the right to use them as part of any promotional material/advertising for my business purposes only (I will remove any images of minors on request)
- Outstanding balance to be paid **no less than 2 weeks before the date of the booking**
- In acknowledging receipt of this letter you enter into a contract to pay the outstanding balance.

I look forward to hearing from you to acknowledge receipt of this letter and of the terms and conditions as above

Regards

Terry Wildman
