**We do require all pets entering Rruff House to have Bordetella/Distemper/Rabies vaccines. All dogs going into Enrichment Daycare must do an interview so we can see how they interact with other dogs and staff.**

We will be using food & treats in some activities. Some of the foods we will use are baby food, applesauce, yogurt, peanut butter, fruit, etc. We are going to be using some of these foods for things like lick mats, West Paw toppls, Kongs, and more. If your dog has any food sensitivities we will need to know about it. You are more than welcome to provide your own treats, we recommend bringing a bag of your dog's kibble to be used while they're here. They will need to be able to be kenneled while here and they cannot be food/toy aggressive.
