God Doesn't Do Standard Things

"The sun has one kind of glory, while the moon and stars each have another kind. And even the stars differ from each other in glory."

1 Corinthians 15:41

God is not known for doing standard things. He is engaged in doing very distinct things. When have you seen God at work in your life and known, without a doubt, that it was Him? When was the last time you thanked God for ALL He has done for you?
