

Polini

Distillates & Beverages

Company

Polini Distillates and Beverages is one of the largest groups in the D&B sector in Italy and among the main groups in Europe. Polini Group produce and manage a vast portfolio of private labels and premium brands marketed in over 25 countries.

Founded in 1967 the company grew thanks to considerable investment in technology, research and development and the purchase of companies with historically well known brands among which the company Fernet Vittone founded in 1842.

FERNET VITTONI

Fernet, invented by Domenico Vittone in 1842s made with the infusion of over 40 spices and herbs. Fernet Vittone is usually served as a digestif after a meal, but it can also be served with coffee. In Argentina, served with Coca Cola (1/3 Fernet Vittone 2/3 Coca-Cola). The Fernet can be used for a variant of the Manhattan cocktail instead of «angostura». This is usually called Toronto or Fanciulli cocktail.

BITTER POLINI

Clear appearance, ruby red color, citrus on the nose. The taste is delicately herbaceous thanks to the refined botanicals present in the recipe. The peculiarity of Bitter Polini is to mix bitter notes with other balsamic and sweet, which make it easy to drink. Perfect in traditional cocktails, it releases the maximum flavor mixed with Italian sparkling wine.

PROUD IRISH®

Original Grain Whiskey

Our first batch of Proud Irish Whiskey is a triple distilled blended whiskey. Our blend is one of a kind and is made from a combination of 85% grain whiskey and 15% malt whiskey. It is matured for more than three years in once used american oak barrels.

Single Malt Whiskey

Our second born is a Premium Triple Distilled Single Malt Whiskey aged more than 4 years in once used american oak barrels.
