

2024 TALENT AMERICA VIRTUAL SPECIAL AWARDS

A vibrant, golden particle tunnel effect. The background is a dark, deep brown or black. From a bright, glowing point at the bottom center, a multitude of thin, golden lines radiate outwards, creating a sense of depth and perspective. These lines are interspersed with numerous small, golden particles, including circles, triangles, and squares, which appear to be floating or moving through the space. The overall effect is reminiscent of a starburst or a tunnel of light. The text "MEET OUR JUDGES" is centered horizontally and vertically over this background.

MEET OUR JUDGES
