A Summary of Lettie and Matthew's Trip to Nairobi

- 7-day trip to the project site in Mathare, Nairobi
- Addressed project challenges at the community cooker foundation
- Met the Kenyan Team
- Collaborated efforts with the African Slum Journal Documentary filmmakers
- Involved with baking and waste collection

African Slum Journal & Taka Taka Zero

African Slum Journal promotes African-produced stories to the international audience through an 'African eye'. Taka Taka Zero collaborated efforts with them to create a short documentary highlighting the importance of recycling waste to create a greener and cleaner future!

Enactus World Cup Update

After winning the Enactus Nationals, the Durham team are currently in the process of preparing for the Enactus World Cup which will be held from the 17th to 20th October, 2023 in Utrecht, Netherlands. The event focuses on SDG action achieved by students across the world. We will make sure to keep you posted on any more updates that arise in the near future regarding the competition.

Donation from

the Ford Foundation!

We are proud to announce that we have received an incredibly generous donation from the Ford Foundation that we look forward to investing in repairing further cookers. We have also hired an 'on the ground' project advisor to help with these next steps.
