NAIROBI TAKA TAKA KIOSK JUST OPENED!

We have recently opened up our Taka Taka Zero kiosk in Mathare! Alongside our delicious bread our kiosk sells Uji power porridge, a nutritious and energy dense meal, helping to tackle food insecurity within the local community. It has also allowed us to employ four more people!

RESPONDING TO COMMUNITY CHALLENGES

Recently, major flooding and subsequent housing demolitions badly affected the Mathare community and our team. We halted operations during this time and focused our energy on providing humanitarian assistance. Thanks to generous donations we were able to provide over 2,500 nutritious meals, provided emergency housing for 10 team members, and ensured that 28 students return to school through replacing damaged school uniforms and books.

BACK-TO-BACK NATIONAL CHAMPIONS

We are thrilled to announce that we have emerged champions twice in a row representing Enactus Durham at the Enactus National Finals in London. We are incredibly proud of the hard work put in by both the Durham and Kenyan teams. This achievement shows the team's dedication and commitment to continuously improving the project.

KAZAKHSTAN WORLD CUP

The team is now hard at work preparing for the Enactus World Cup, which will be held this October in Astana, Kazakhstan. Keep an eye on our social media for the latest updates.
