40-Hour Texas LPC Supervisor Training

Each LPC is responsible to confirm his/her own eligibility to become an LPC-Supervisor with the state LPC Board. Do not register until you have confirmed this with the board. You need not provide this confirmation to Dr. McDill; this is simply between you and the board.

Benefits:
- Complete 20 hours of the 40-hour course prior to class via readings, and critical analyses.
- This course contains 40 CEUs, including 12 Ethics CEUs for LPCs.
- Practice navigating the LPC Board website re: requirements of Supervisors, LPC-Interns, and the relationship between the two.
- Learn while enjoying numerous and perhaps humorous stories of experience.

Payment:
- Cost: $650 (100% tax-deductible in the year paid)
- Payment is due in full at the time of registration.
- Payments accepted: Cash, Check (payable to “NLCC”), or Discover/MasterCard/Visa
- Your canceled check, credit card receipt, or hand-written receipt for cash will suffice for your tax-deduction purposes.
- Cancellation/Refund Policy: No credit or refund will be issued for not attending this course post registration, regardless of date of notice or explanation. However, you can participate in a future LPC-Supervisor training course offered at New Life.
