WE ARE GETTING EXCITED!

With the 2025 show just around the corner, we can barely contain our excitement! We are so grateful for all your participation and support for this great community event that simply wouldn't be possible without you – our vendors!

To those that have participated in the show before, welcome back – and for those that are new this year, we are thrilled to have you join the party!

VENDOR CHECK-IN

Vendors should enter at the Northeast corner of the SunDome (blue door/rollup door). Please pick up your packets from the vendor check-in room to get your final booth assignment, wifi password, credentials, etc. We will be there to answer any questions you may have, provide free raffle boxes and drawing tickets – if you are offering a drawing in your booth – and the Bear team will be onsite if you need any additional equipment for your setup.

We've got ads on radio, television, and online, along with banners and road signs throughout the valley to promote the show. Any social media promotion to your followers letting them know about the show and that you'll be there will help get the word out! Tickets are available online or at the door (children 10 and under are free), with free parking at the Yakima SunDome. Show hours are Noon to 4 PM, Sunday, February 2nd.
