

D23 Interleague Rules.

1. Bat rules: No USSSA bat rules permitted. USA logo on bats. BBCore used at only intermediate, junior and senior levels. LL Rule.
2. Follow pitch count rules. They are on the manager pitch count form, including required days rest. Keep in mind, if a 10 year old is playing in the majors, the pitch count max is 75, not 85 like the 11 and 12's! LL Rule
3. Use of game changer is highly recommended.
4. All managers will use the new pitch count form. It must be carried to all games and shared before and after every game. A player reaching the threshold or max pitches may finish his batter and his pitch threshold reverts back to his first pitch of the at bat.
5. There are no balks in the minors and majors. For intermediate and higher, the first balk per pitcher will be a warning. Please share this with the umpire prior to each game.
6. 5 run rule applies at all levels except senior. Unlimited runs in last inning.
7. Minors may steal home. This is a LL rule.
8. Call opposing manager a few days before each game to confirm, date, time and field!
9. There is no on deck circle for minors and majors...this is a LL rule which is often violated.
10. 2 hour game time limit across the levels. (except senior).
