**From date** Wednesday, February 3, 2021 6:00 AM

**To date** Thursday, February 4, 2021 10:01 PM

<b>Number of invitees</b>	28,716
<b>Number of valid responses</b>	7,095
<b>Invitee response rate</b>	24.7%

Notes on the ranked ballot results:

1. After the first round, if no candidate has greater than 50% of the votes, and no confidence has less than 50% of the vote, no confidence will be removed from the totals after the first round (as 'No Confidence' cannot gain votes as it is only valid as a first choice option). As a result, the number of votes for a candidate in round 1 and 2 is the same, only the valid % of votes changes as 'No Confidence' is not a valid choice in the second round.
2. After the second round, the candidate with the fewest votes in the last round will be eliminated and their results will be distributed according to the voter's preferences until one candidate has greater than 50% of the total valid votes.

Abstentions include both those who selected no candidate as well as those who selected the distinct 'Abstain' option on the ballot.

To the best of my abilities, these results accurately count all votes cast in the 2021 CUSA Elections. There has been no evidence of vote manipulation or any other disruption to the electronic voting system.
