Brittany Russell
Turquoise Tax Pros

Letter of Recommendation for Brittany Russell

It is my pleasure to highly recommend Brittany Russell with Turquoise Tax Pros for your company's bookkeeping needs. I worked directly with Brittany for the last month as she worked tirelessly to get our company's books back in order. I had the opportunity to observe their meticulous work ethic and dedication to financial accuracy.

During their time with our organization, Brittany was responsible for the day-to-day management of our financial records. This included overseeing accounts payable and receivable, reconciling complex bank statements, and assisting with month-end closing procedures. Brittany consistently demonstrated a deep understanding of accounting principles and an exceptional attention to detail.

What sets Brittany apart is their technical proficiency and proactive problem-solving. They are highly skilled in QuickBooks, which allowed them to streamline our reporting processes and reduce errors. Furthermore, they possess excellent communication skills. They were always able to explain financial discrepancies clearly to our team and handle sensitive data with the utmost confidentiality and professionalism.

Ms. Russell is a reliable, trustworthy, and highly competent bookkeeper who would be a tremendous asset to your accounting team. I would gladly reemploy them if the opportunity arose.
