

To Whom It May Concern,

I am writing this letter to give my highest recommendation to Brittany and the team at Turquoise Tax Pros. We have been using their services for KO Designs LLC for a few years now, and we couldn't be happier with the outstanding support and expertise they consistently provide.

Over the course of our partnership, Brittany has handled a wide array of critical tasks for our business. From navigating an LLC name change and updating official company information to managing our quarterly taxes seamlessly, she has made the financial side of running a business completely stress-free. In addition to handling our business account, she also manages our personal taxes, ensuring complete accuracy and peace of mind across the board.

Working with Turquoise Tax Pros has been an absolute pleasure. Brittany is thorough, dependable, and always ready to answer any questions with clear, actionable advice. Having a trusted partner who truly understands our business operations allows us to focus on growing KO Designs without worrying about tax deadlines or compliance details.

I enthusiastically recommend Turquoise Tax Pros to any business owner or individual looking for reliable, top-tier tax and administrative services. Brittany is an invaluable asset to our team, and I am confident she will provide the same exceptional service to anyone who works with her.

Sincerely,

Krista & Ollie LaCour
