## PHOTOGRAPHY STUDIO

All events are unique, and we want to give each client a personalized experience. Planning your event is a lot of stress. The reason for this is because for many, this is the first time they have planned an event of this size, while at the same time it carries a lot of emotional weight as it is such an important day in their life. We are here to help you eliminate stress by taking care of capturing the most beautiful moments of your activity. Choosing a photographer is not easy, there are so many different options available. Give us the opportunity to work as a team and be part of your event. We always go the extra mile and work according to the needs of the client.

## GUIDE

In the following guide you will find information about our packages for Weddings. We have digital and printed photo packages. Also, additional services that include from makeup, photos and aerial video, albums, canvas etc. You can make monthly payments or pay a deposit and pay off before the event. Evaluate each of the packages, if you have any questions, please contact us.

### OUR WEDDING PHOTOGRAPHY PACKAGES

*Certainly, we want to make our wedding photography prices and packages clear and straight forward. These features will be consistent regardless of what package you choose. Thus, all our wedding photography offerings come standard with:*

- High-quality work*
- Experienced professionals*
- Competitive pricing that's not too high or too low*
- A clear idea of what you're getting with each package*
- Help from us as you make your decision and move towards your big day*
- Meeting before the wedding to discuss details.*

*To us, this isn't photography; wedding packages are also special. So, you deserve to work with someone who understands this experience.*

*If you don't find a package that's right for you, contact us for a custom quote based on your needs.*
