Questions to Consider

1. How do you imagine the Book of Hebrews was used by the ancient church, and how do you think we use it today?

Chapter 1

2. What does Chapter 1 tell us about Jesus?

3. How would you pray that this glorious and powerful Son of God be manifest in our world today?

Chapter 2

4. The hearers of this sermon are warned not to drift away from faith in Christ. In the past, what things have caused you to drift away? What, if anything, causes you to want to drift away in these current times? Why?

5. Why does the author say Jesus was required to be fully human? Is the concept that Jesus was fully human and is fully God difficult to accept?
