Patron Fees	TBD based on # of clients attending (see notes below)	

Prices subject to change at any time without notice.

NOTES ABOUT SHOWING

Coggins Test: The original Coggins test must be on file with Rushlows prior to your horse being hauled to any show. Early each year, our veterinarian gives Coggins tests to all horses boarded at Rushlow's.

Required Horse Wear: Each horse must have its own blanket and sheet with the horse or owner name on it in barn colors (green/black or green/gold). If you order new blankets or sheets, order them in green and black. For those who are going to shows in the spring and fall, you may want to have sleeves in green for your horse. Each horse also needs to have a halter with his/her name on it. Leather halters are preferred but not required.

Note: If you are ordering new blankets / sheets, we recommend you order them from Radon (www.Radoninc.com). Leather halters come in a wide range of prices. As can be expected, quality increases with the price. We have found that less expensive leather and nylon halters can leave marks on a horse's face, especially after body clipping. Therefore, we recommend the purchase of a higher quality halter. Schneider's (www.sstack.com) has a good selection to choose from.

Membership Cards: The following membership cards for the 2020 show season need to be on file before show entries can be mailed: USEF, AHA, MSHA (optional). (USEF requires competing adults to take the Safe Sport course). Please have your memberships completed or renewed early in the year, so your show profile can be completed and ready to go.

Body Clipping: Fees for body clipping your horse prior to the show are not included in Show Fees. Usually, your horse will only need to be clipped once for the first show.

Hauling Fees: If your horse requires a box or double stall for hauling, the fee for hauling will be adjusted accordingly.

Show Fees: Show fees cover having Rushlows take care of and make sure your horse is ready for the show ring. Items covered in this fee include cleaning of stalls, feeding, watering, daily lunging, grooming, braiding, tacking up for classes, and assistance when entering and exiting the show ring. If you wish to stable your horse with Rushlows you must pay show fees.

Prorated Stall Fees: The cost of extra stalls (tack stalls, feed stalls, grooming stalls, dressing rooms, kitchen) are prorated based upon the number of horses at the show, regardless if the horse is showing.

Patron Fees: Some shows (Buckeye, Regionals, Youth Nationals, National Show Horse, U.S. Nationals) require a Patron fee. Patron fees are prorated based upon the number of clients at the show,

Groom's Tips: Tipping of grooms is mandatory. If you have not been involved in the packing, hauling, unpacking, setting up, daily working from start to finish at a show, you have no idea how hard the grooms work to make the show a success for all. Minimum tip is \$25 per groom, per horse. A typical show will have 3 grooms. Tips will be included on the invoice you receive from Rushlow's for hauling, show fees, etc.

How You Will Be Charged for Fees Associated with a Show: Body Clipping, Hauling, Show Fees, Sawdust charges, extra stall allocation, and Patron Fees, when applicable, will be billed to you in advance of the show. Payment is required BEFORE your horse(s) is transported to the show. You may pay by cash, check or credit card. If you wish to pay by credit card, a 4% credit card fee will be added. Your invoice will include the amount your credit card will be charged if you're using this option and the date payment is due.

Leasing Rushlow Owned Horses: When leasing a Rushlow owned horse for a show, you will be responsible for the following costs associated with readying the horse for the show ring: show shoes, body clipping, and vet work necessary to make the horse ready for the show ring. Should a horse be leased by more than one individual, these costs will be split. The following additional fees are the responsibility of the lessee as well; Show Fees, lease fee, stall fee, sawdust, entry fee, and hauling fee. If more than one person is leasing the same horse for a show, the following fees will be split; hauling, stall fees, and sawdust. **NOTE: Each lessee is responsible for paying Show Fees and Lease Fees. These are not split. There are also lesson requirements.**

Leasing of Show Equipment: Each rider is expected to have his/her own show equipment. However, if you do not, you can lease Rushlow equipment for \$100 per show (Native Costumes, saddles, bridles).

Show Registrations: Each participant's registration form will be mailed in by Rushlows by the date required by the show. If you are attending a show, you will be asked for a check made out to the organization sponsoring the show with the dollar amount blank or credit card information. Charges payable to the organization will be finalized at the completion of the show. (You will receive a separate invoice for Rushlow charges (hauling, show fees, shavings, etc.)

Meds given at shows: You will receive a bill for meds if your horse was given any during a horse show usually within a week or two of the show. You may also receive a bill from the veterinarian if your horse was treated while at the show.
