

High-Impact Team Training!

Employee Healthcare Options at Age 65...

When Medicare Meets the Group Health Plan!

Healthcare is a high-priority issue for older employees- and for the HR teams who work with them. When Medicare-eligibility overlaps a Group Health Plan beginning at age 65, there's an increased need for understandable information about coverage options... but the answers are often complex and hard-to-find!

This unique, fast-paced 1-hour webinar was created specifically to give team members targeted, practical insights on this challenging, high-priority topic. And it's approved for CE credit for most HR professional designations!

Medicare Basics... a Primer on the Essentials
How Secondary Payer Rules Impact Employees
Group-to-Medicare Pathways for Age 65+ Employees
Successfully Navigate the Enrollment Process
Caution! High-Income Surcharges, COBRA, HSAs

I highly recommend this program for HR or benefits professionals! It's a great overview of the complexities of how Medicare interacts with Group Health Benefits. Thanks for these insights!
