

Social Security & Medicare Training for HR Benefits Pros

Understanding the Key Issues For Employees Approaching Retirement!

As older employees approach retirement, they face important, and often complex- challenges navigating the transition from job-based retirement & healthcare benefits to Social Security & Medicare. And they are frequently told to seek answers from 'their HR department'.

The Turning 65 Workshop has created targeted, practical training webinars where HR & Benefits professionals can gain the information they need to be a more effective front-line resource for older employees within their organization. Whether it's customized Team Training or one of our Educational webinars for individuals, this need-to-know content is delivered in an understandable, engaging, and fast-paced format!
