

Social Security & Medicare

In-House Training for HR and Benefits Teams!

The Turning 65 Workshop is an Approved Provider for SHRM, HRCI, and World at Work.

High-Priority Topics. Practical, relevant training on important topics for team members who work with healthcare & retirement benefit plans.

Customized Content. Each presentation integrates an organization's own unique benefit plan provisions with the standard training content.

Participant Resources. Team members receive an extensive 'Toolbox' of Social Security & Medicare resources that accompany each session.

Cost. Budget-friendly, scaled pricing based on size of the organization.
