The Aging Workforce Meets Social Security & Medicare

Issues involving aging employees are of growing importance in today's workplace. For these employees- *and their employers*- it's critical to understand how the foundational benefits of Social Security & Medicare intersect with their retirement & healthcare benefits at work. Former financial advisor, Thomas Wright, offers a variety of fast-paced, engaging 60-minute presentations on this timely topic that always generate lots of interest... and a big turnout!

"Thanks for this webinar, it was super helpful! So much needed info."
