# The Turning 65 Workshop

## *Advisor-Client Events*

Hosting a Turning 65 Workshop is a great way to build community awareness of your professional practice and to strengthen existing client relationships.

Clients approaching retirement are eager for practical, understandable, and unbiased information about Social Security and Medicare- and that's what our workshops deliver! Available in a variety of formats, a Turning 65 Workshop will make a big- and *memorable*- impact on all who attend.

Additional info, including pricing, available upon request.
