Account # **C-356-723-72-412-0**.

Greetings,

You are hereby given **Notice/Alert/Warning** to cease and desist all operations, administrative and otherwise, pertaining to and involving Our Church, RANDOLPH CORDELL CODNER (RANDOLPH C. CODNER), whose date of rebirth is registered as 11/12/1972.

While in duress We were misdiagnosed by the State's medical professionals and misled by their various organizations because of Our distress. We were coerced into applying for an identification card in order for the doctors to prescribe the proper medication (Medical Marijuana) for Our ailments, and forced due to the travel restrictions set by courts.

The documents (id cards) were turned over to officials so let your administrative department delete all of Our information from your database, and cease from using Our Trademark immediately.

We were in distress and not in commerce, so We now nullify and make void any and all agreements made with your company/corporation/government (FHSDMV) as of this date: July 1st, 2024.

Govern yourselves accordingly,

Jah Rastafari Malchizedek.  
(Signed and Sealed)
